1960

DEDICATION

We affectionately dedicate the PIONEER of 1960 to those who are responsible for MISSION HIGH—the faculty and students. We are grateful for our years together and our memories will always be fond ones.

THEME

The truth expressed in William Shakespeare's words that "All the world's a stage, and all the men and women merely players," sets the theme of this year's **Pioneer** — the DRAMA.

Mission was the stage for the wonderful scholastic and social activities of the year. The students carried out their roles of study and cooperation to perfection. Our producers, the faculty, and our directors, the Student Body officers, staged the greatest production in Mission's history. We're proud of our smash hit, the year 1959-1960.

Above all we're grateful that the religious and social principles that we have learned have prepared us to look upon tomorrow as only prologue and on eternity as the moment when the curtain of life really rises, never to fall.

Fling out that vibrant spirit of Mission High. Our loyalty to you will brighten the sky. We pledge our full alliance, placing reliance, shouting defiance, ALMA MATER.

Our hearts are filled with courage, keeping us true, spreading our fame and fair name we dare and do, and homeward turn with burning love and zeal, dear ALMA MATER, MISSION HIGH.

History at Our Fingertips...

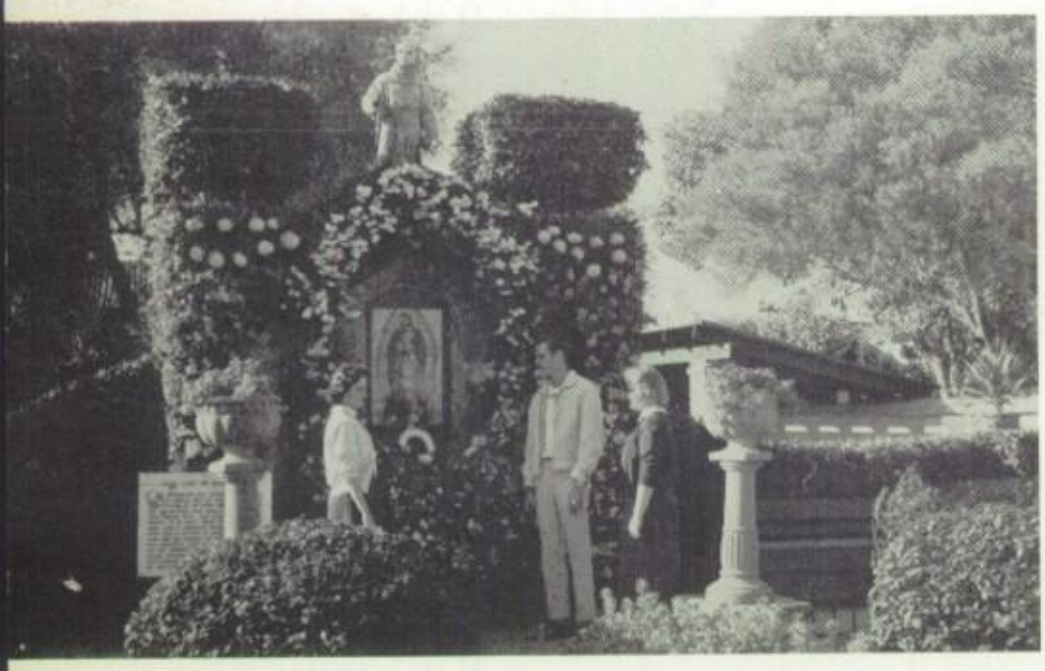
On September 8th, 1771, a group of Padres and soldiers make their way wearily to the foot of the La Puente hills. A few scouts, sent to the crest of the hills, gaze triumphantly at the San Gabriel Valley which stretches beneath them. Proudly they unfurl the banner of Imperial Spain and plant it deep into the soil which is to bring forth the "Queen of the Missions," San Gabriel de Archangel.

Thus, on the feast of the Nativity of Our Lady, was begun a rich heritage which was to be handed down with pride from generation to generation of Californians.

The work-worn fingers of the Padres gave witness to the fact that giving glory to God is no easy task, but the gravestones of scores of originally pagan Indians now bearing Christian names, and the beautiful old Mission itself, are proof that bountiful fruit can be produced through labor of love.

Today, we, the students of San Gabriel Mission, realize our duty to carry on the work of the padres as examples of the living faith, and therefore resolve to keep alive that heritage founded 189 years ago.

Bob Giering, Doug Foley, and Rita Langell find time for a peaceful meditation in the solitude of the Mission garden.



The typical handicraft of the Mission Indian is observed by Jerry Rapp, Barbara Dawson, and Ann Robinson, at the shrine of Our Lady of Guadalupe.

The early life of the Mission, depicted by this mural in front of the Chapel, is discussed by Dennis Celmer, Donna Crabb and Richard Jones.

Michael Heim, Alicia Wilson, Suzanne Pohl, Bill De La Garza, and Mary Lindleaf, take a tour of the California missions in a very brief time.

The sun is soaked up by Missionites Maurice Verstraete and Cynthia Alfreds, in a site that has seen past decades.

JOHN XXIII, POPE

In a message recalling the 30th anniversary of Pope Pius XI's encyclical on the Christian education of youth, "Divini illius Magistri," Pope John said that "today, as yesterday, the Church affirms the right to maintain schools in which teachers, solidly convinced, freely inculcate the Christian concept of life and conduct their teaching in the light of Faith." On another occasion, our Holy Father said education must be sincere and must see that the behaviour of youth is "oriented in accord with the Christian message."

To the Students of
SAN GABRIEL MISSION HIGH SCHOOL
San Gabriel, California

My dear Students:

It is obvious that the students of SAN GABRIEL MISSION HIGH SCHOOL have been very much blessed through the patronage of their saintly sponsor. As St. Gabriel was a messenger of God, so is your High School a medium of God to the students who are fortunate enough to partake in the opportunities this High School so graciously affords.

It is our earnest prayer that these benefits and blessings will be availed of by the students in a bountiful manner.

Praying for you all blessings, I am

Faithfully yours in Christ,

Administrator bids farewell to Seniors.

My dear Graduates:

We look back and see your four years at Mission High. They not only have been pleasant, but glorious in achievements. They have given you the opportunity of learning more of God; of pointing out His Divine ways. His ways are the only sure step and all through life you will follow them . . . for they lead to success.

Tonight, therefore, we bid you Godspeed, and pray His blessings upon you.

Sincerely in Christ,
Rev. Fr. Michael Montoya, C.M.F.
Administrator

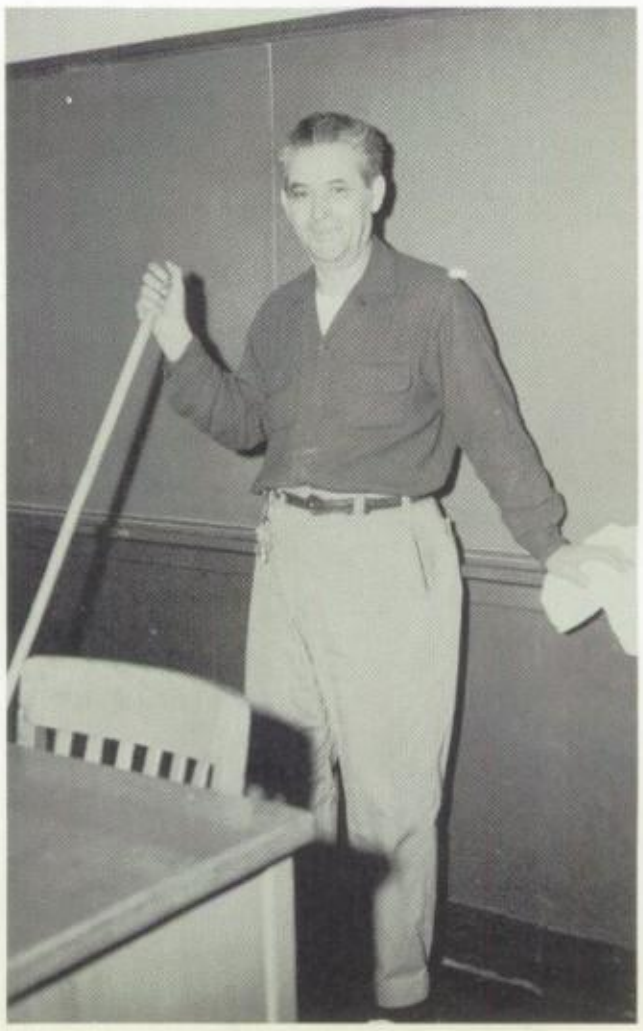
Helene Cervantes, our school secretary, is truly an indispensable member of Mission's staff. She can always be relied on to faithfully execute all of the numerous tasks which inevitably come her way.

The most thankless duty of our school is that of keeping it in the fine condition Mission standards demand. This task rests with our fine janitors, Charles Gonzales and Tony Hernandez. The student body owes a great debt of gratitude to its hard-working janitorial staff.

MISS HELENE CERVANTES
School Secretary

Charlie Gonzales cheerfully goes about his daily tasks.

Mr. Tony Hernandez pauses for a moment in the midst of his many duties.



To Them

Mr. Chuck Bradley relaxes during an off duty moment.

Mission's competent trainer and most avid fan is Chuck Bradley. He attends every football game and never fails to be down on the field at the first hint of injury to any of our bruising giants of the gridiron. We wish to sincerely thank Mr. Bradley for his fine spirit and aid.

Mission's famous cafeteria staff is one of the most appreciated groups in our school. They have never failed to bring forth wonderful meals for the nourishment and delight of our students. Our hats go off to this fine group of women.

Mrs. Reiss and Mrs. Zartman, representatives of the Parents Club Health Committee, skillfully compute the weight and height of each member of the student body.

We Are Deeply Grateful

Mrs. Josephine Sanchez, Mrs. Margaret Littrell, Mrs. Alice Haug, Mrs. Bertha Padilla, Mrs. Caryl Bradley, and Mrs. Viola Lane stop to enjoy some of their own cooking.

FACULTY

Sister John Dominic and Father Leo perform the many faceted roles of producer and director of student life at Mission. They have coached us, scholastically and socially, throughout our four year drama. Although their duties and responsibilities were often enormous, our principals have always dedicated their whole-hearted efforts to the good and well-being of the students of San Gabriel Mission High School. Our debt of gratitude to them is great, for they have produced the most memorable and well-loved play in our lives, "The Life and Times of the Pioneers."

CALENDAR

Saint Anthony Mary Claret, apostle of devotion to the Immaculate Heart of Mary in the 19th Century, was the founder of numerous religious families, principal among them being the Missionary Sons of the Immaculate Heart of Mary (Claretians). His prodigious literary and apostolic endeavors led Pope Pius XI to proclaim him one of the "great precursors of Catholic Action."

Recently elevated to the Cardinalate by His Holiness Pope John XXIII, His Eminence Arcadio Cardinal Larraona, leader of the Sacred Congregation of Religious during the past sixteen years, is a member of the Claretian Congregation. Toady members of this Congregation are spread over Europe, Africa, Asia and America. Their ministries include the administration of seminaries, schools, parishes and mission posts, the preaching of retreats and novenas, and the spreading of devotion to the Immaculate Heart of Mary through the consecration of individual homes to Her Heart and through the mass media of radio, television, and the press.

A tribute to our

CLARETIANS

DOMINICANS

The founder of the Order of Friars Preachers, Saint Dominic de Guzman, armed with Our Lady's Rosary and a flaming desire to impart Truth led the counter-attack against the 13th century Albigensian heresy. His life of prayer, penance, and preaching has been imitated by countless men and women desirous of sanctifying themselves by giving to others.

religious teachers.

The Dominican Sisters of the Congregation of the Queen of the Holy Rosary prepare to share with others the fruits of their contemplation as they recite the Divine Office in their new Motherhouse chapel near historic Mission San Jose. In their moments of prayer the Sisters gather spiritual energy to expend in their apostolate of teaching, caring for dependent children, and discharging many domestic duties within the cloister.

Dear Graduates,

Your vocation as a student is to study — to develop as perfectly as possible the intellectual, moral, social, and physical potentials of your God-given nature. Though this process continues a lifetime, the years of young adulthood are especially important. May your years spent at Mission High have been fruitful in this accomplishment.

Your vocation as an adult will be to use these developed potentials in the service of God and country — "pro Deo et patria" as the inscription on the school cornerstone puts it. Past performance and your future cooperation with God's grace will make this possible.

May God's grace assist you always.

My dear Graduates,

Four chapters in your **Book of Life** are drawing to a close. As we the faculty and students review these pages with you, we have many pleasant memories of you, dear class of 1960. Your spirit of loyalty to one another has been an outstanding virtue in your years at Mission. We pray that you take this spirit with you into whatever walk of life God has chosen for you. May the energy and cooperation that your Alma Mater has witnessed during your stay here increase as the years go by. In union with our Blessed Lord and His Immaculate Mother may you achieve great things for your own souls and the souls of your neighbors.

The green of hope and the silver of sterling worth that meant so much to you during your school years should be a guide to you for the future. Sincerity and loyalty to your God and His Mother will result in happiness for you here and an eternity of beatitude.

It is to this eternal beatitude that we all look forward. May the future years bring all of us closer to our goal. Be assured that we shall be united daily in prayer.

God be with you, dear Chatelaines. This is the prayer of your teachers and your fellow students. Keep us, too, in your thoughts and prayers as you fulfill God's Will in your lives.

Lovingly in prayer,

In every student's life there are many producers and directors, whose qualities and capabilities often determine the productivity of the student's future. Here at San Gabriel Mission we are proud to have a faculty noted for their interest in and concern for the students with which they come in contact. With an ever determined zeal, these dedicated teachers prepare hundreds of young men and women for their future roles as members of the Mystical Body of Christ. Acting as examples of true Catholicism, they guide Missionites toward their ultimate destiny by developing the whole person, body and soul. We would like to express our thanks to our teachers for giving us an education so necessary to our future.

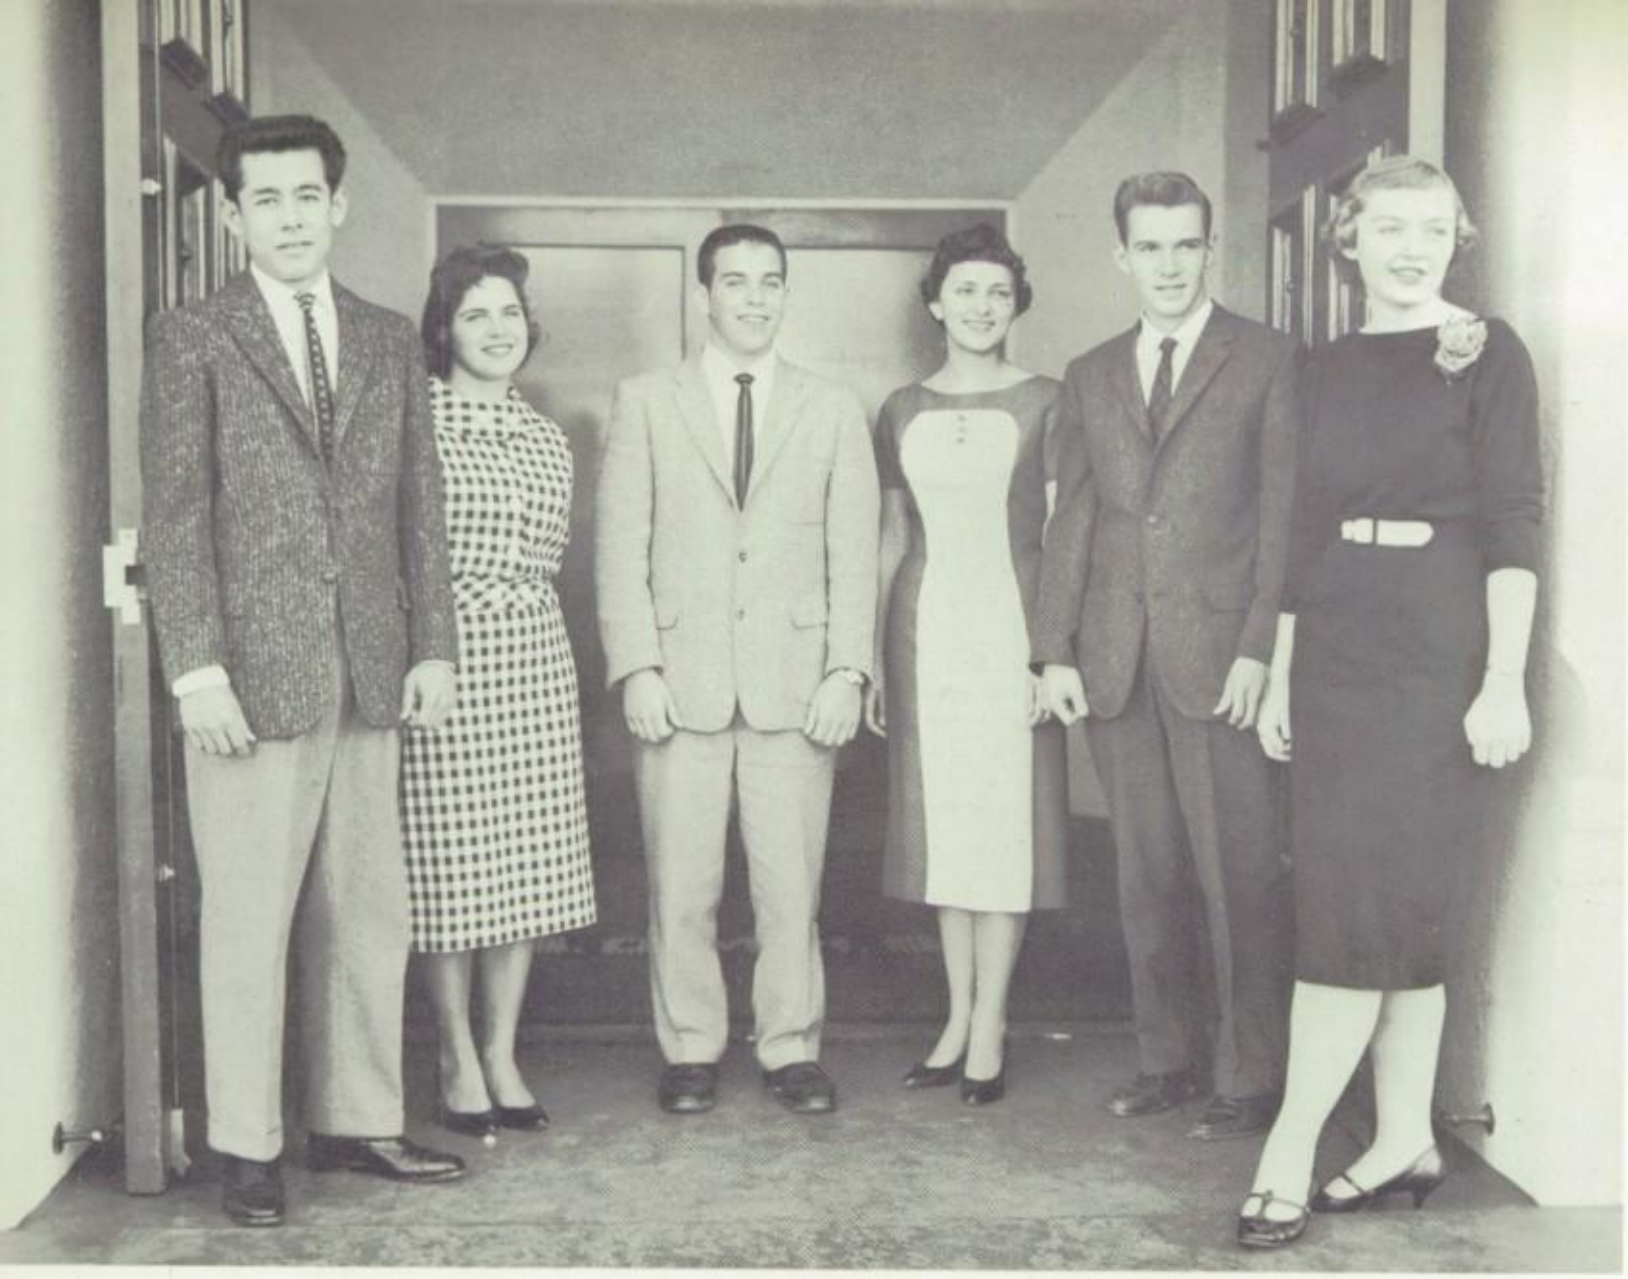
CLASSES

"Double, double, toil and trouble; fire burn and cauldron bubble . . ."

It appears that these three Mission students have no intention of devouring their studies. Perchance they are brewing a concoction designed to put teachers under a no-homework spell. However, don't come to the conclusion that all Mission students can't stomach learning! Why . . .

Said a student of old Mission High
To his teacher, "Professor, why I
'Drather study than eat,
Freud, Bacon my meat,
My dessert, geometrical Pi."

Student Body Presidents, Joe Perricone and Nan Weatherfield, merited a standing ovation for their title roles.



Student Body Officers tarry at sacred "front door." They are, **left to right:** Ed Maya, Rita Hatem, Terry Lenhart, Valerie Wilber, Ed Walsh, Cathy Dorsey.

Lights, camera, action--

student government is in progress.

Our Student Body Officers perform a dual role as students and as representative leaders of school activities. Their tasks are varied, some easy and some not so easy; but all are performed with the same spirit and devotion, characteristic of the leaders of student government at San Gabriel Mission High.

Mellow wisdom and youthful enthusiasm blend at general student council meetings.

Sodality Prefects, Terry Lenhart and Mary Canny plan enterprising projects for Pioneer Sodalists.

Without leaders organizations could not function properly. When their officials are of top quality their effectiveness is more than satisfactory. This is certainly true of Mission High, for our leaders strive to give the students many experiences which are interesting and educational. Our officers have given of their time unselfishly, and because of their leadership and co-operation Mission High's organizations have surpassed all former achievements.

competent leadership.

Drama Club president and vice-president, Charles Ettari and Mary Beth Sheahan, regulate Marquis' activities throughout the year.

Block "M" and G.A.A. prexies, Chuck Bellitti and Dani Triggs keep Pioneer vim bubbling.

Senior Classes

"Romeo, Romeo, wherefore art thou, Romeo?" "At the bottom of the 'blankety-blank' ladder." It looks as if Bill Shakespeare's famed lovers are having their troubles. Is Romeo just clumsy, or is Juliet's father at the bottom of the ladder? Perhaps Romeo's father? But fear not; we may rest assured that Romeo will try again. Of course, at the rate he's going, Juliet's fair eye may wander elsewhere. But there's one bright light: he can catch up on his studies in the hospital.

SENIOR OFFICERS

The Senior class enjoyed many activities under the leadership of Ellen Gatz and Bill Reiss, class presidents; Betty Shields and Bob McPeak, vice-presidents.

With the coming of graduation, the curtain falls on the last year of a senior's life at Mission. This was the busiest and most enjoyable year of all. Term papers and projects, which seemed insurmountable, were taken in stride and completed. Games, dances, and other activities rounded out a year packed with fun and excitement. Now the world and the future awaits every senior. However, it is not without sorrow that we leave our Alma Mater and the wonderful friendships behind us. But the show must go on, and it does, with everlasting Mission spirit in our hearts.

SENIOR OFFICERS

Senior secretaries, Pat Zartman and Betsy Eshom, and senior treasurers, Chuck Bellitti and Judy Wagenbrenner, gather to discuss school matters.

Sister Mary Xavier and Marie Guerrero discuss a problem in civics as the rest of the students study intently.

DRIVER ED
It takes two to work and three to dictate when members of the Driver's Ed. class try to change a tire. Members are: Barbara Gladieux, Linda Mezzie, Catherine Scoleri, Cynthia Alfreds, Carol Grieshaber.

CIVICS CLASS
Senior boys learn of the intricate workings of their government under the direction of Mr. Modjeski.

LATIN CLASS
Now Sister Alberta, how are the students ever going to learn how to translate their Latin lessons? Latin students are: Ann Ehret, Sally Sue Dailey, Joan Hickey, Janet Abdalla, Ann Robinson and Judy Martini.

TRIGONOMETRY CLASS
Father Leo helps Jim Messing with a complicated trigonometry problem.

RECORD KEEPING
Record keeping can be fun as shown by the avid interest displayed by these industrious students. Progressing toward positions in the business world via Sister Mercia's class are first row: Linda Haefner, Mary Lou Prohaska, Arlene Sanchez, Theresa Hernandez, Mary Williams. Background: Eloise Ekberg and Cathie Henlin.

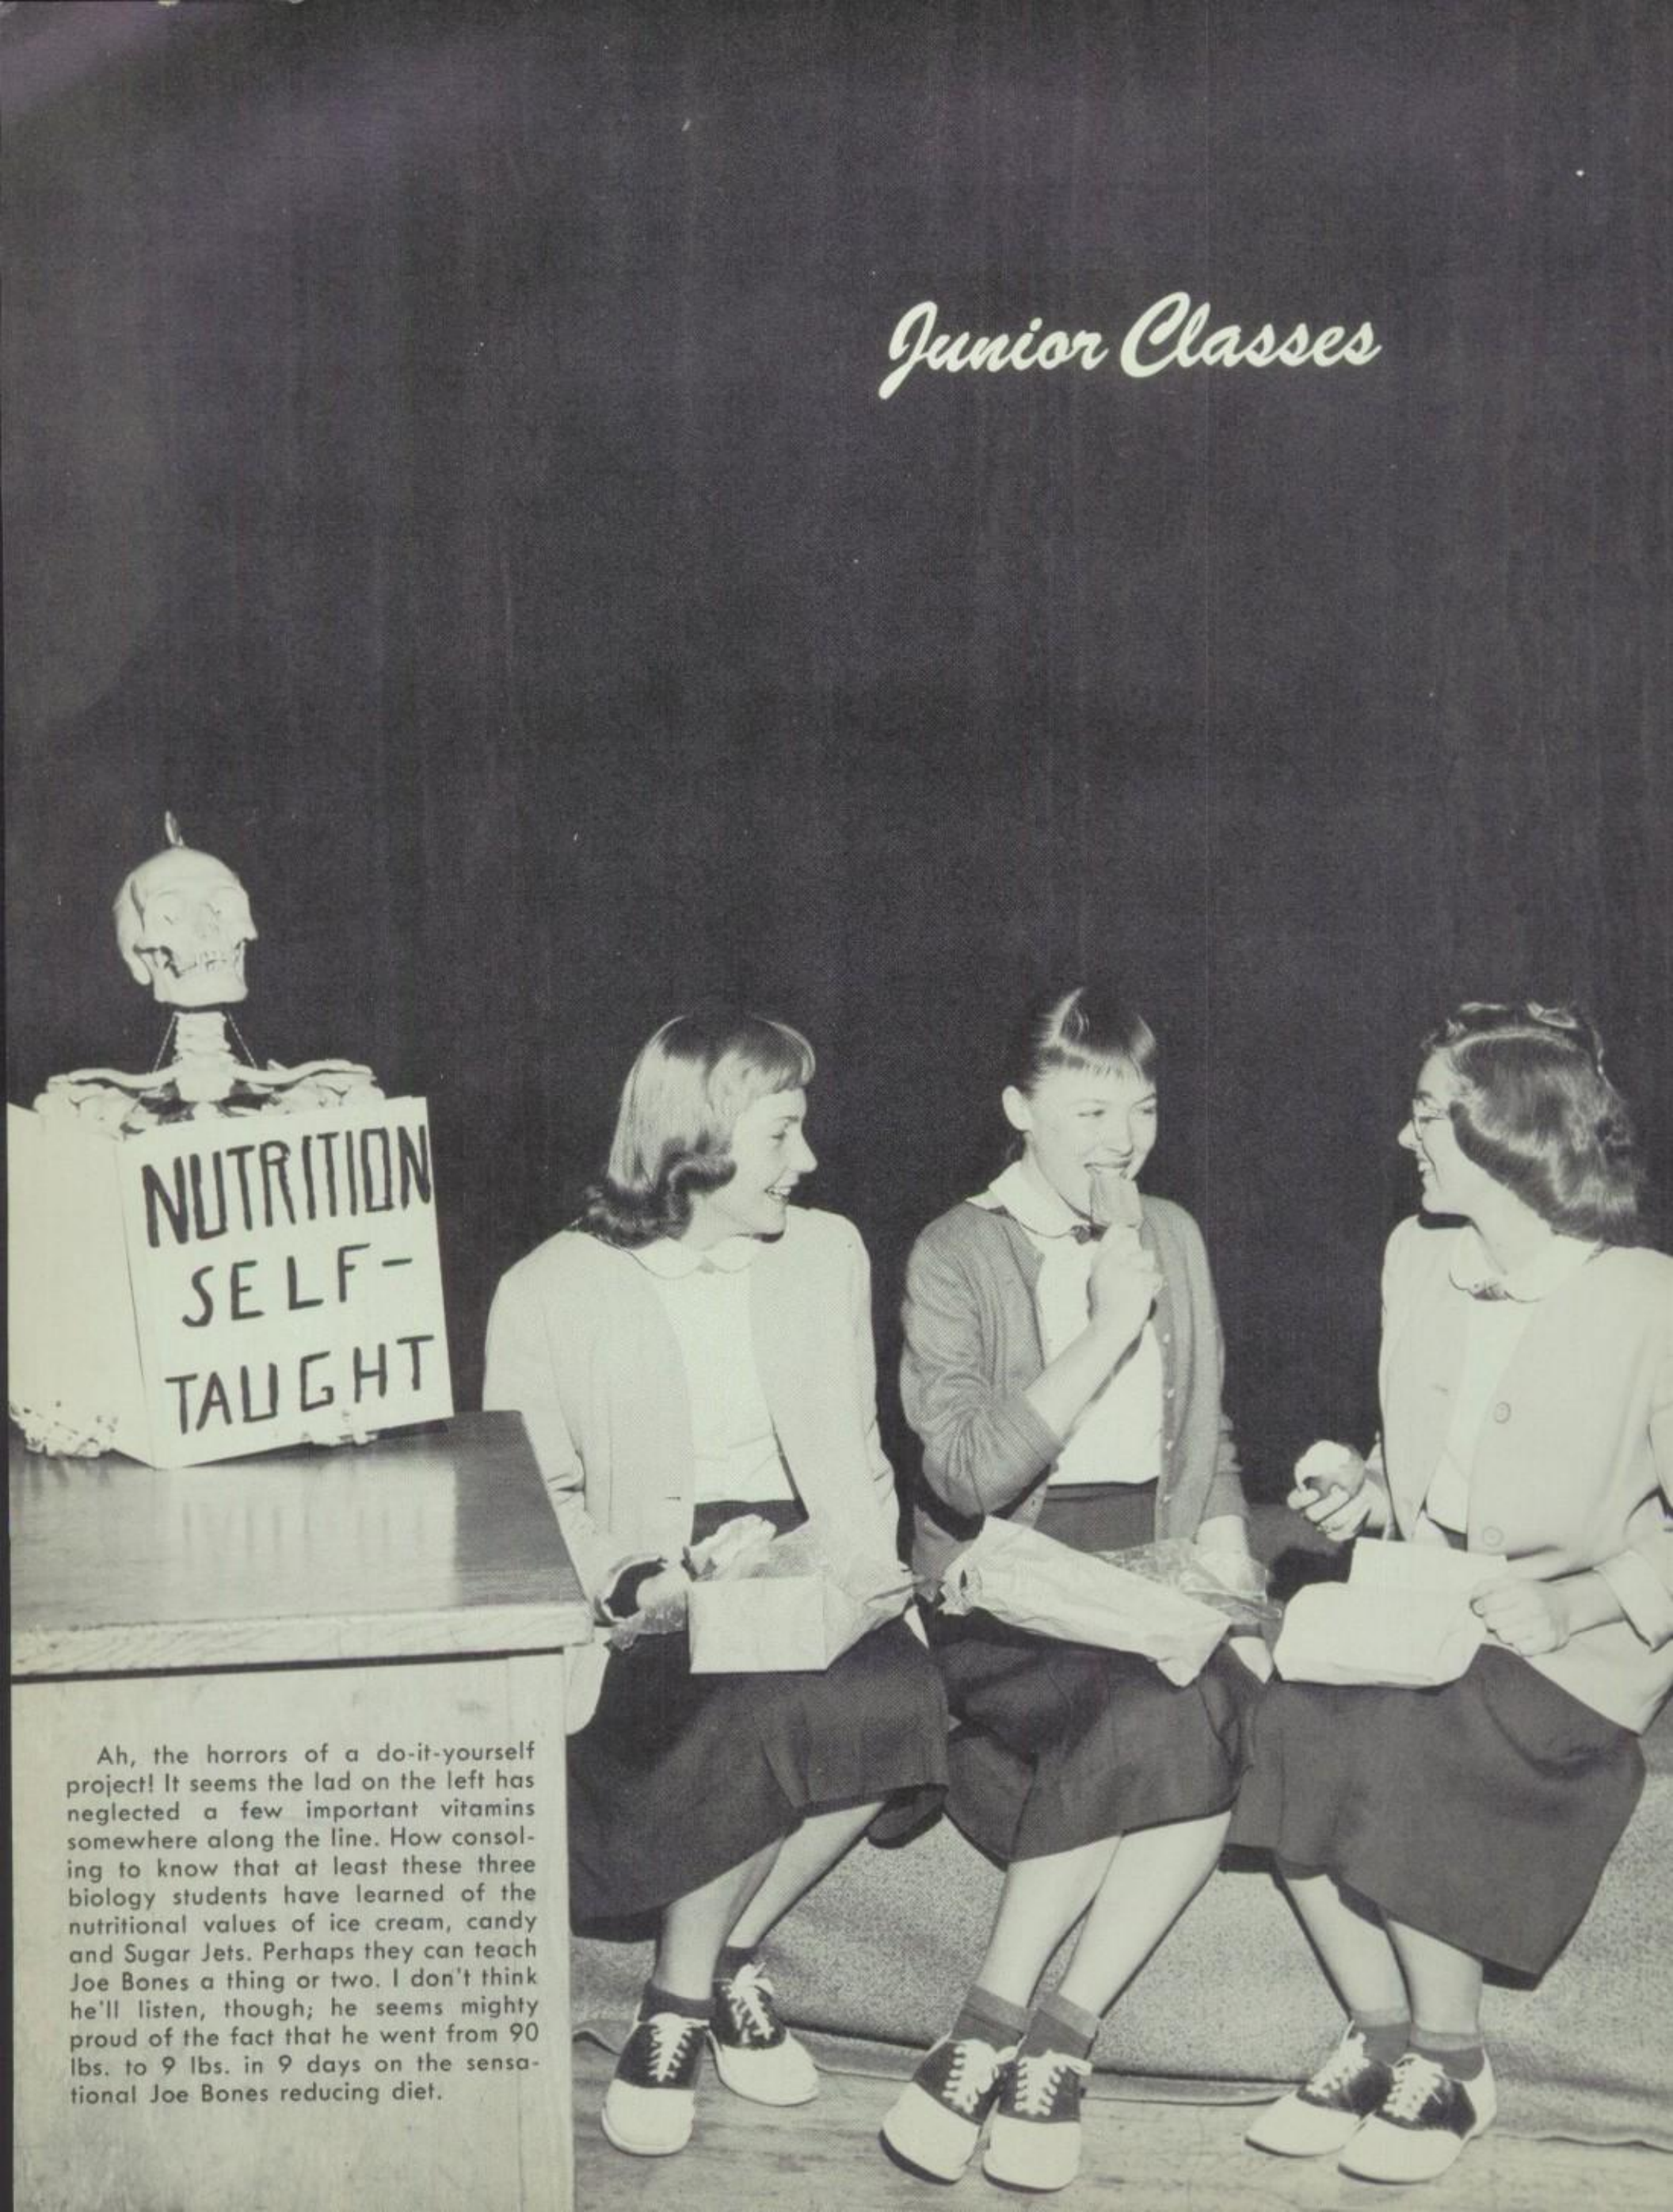
It can't be said the class of '60 has no royalty . . . just take a look at Senior Mary Beth Sheahan, Queen of La Fiesta de San Gabriel. Mary Beth is pictured as she receives the crown beginning her reign over the three-day celebration in commemoration of the founding of the Mission 189 years ago.

Junior Classes



Ah, the horrors of a do-it-yourself project! It seems the lad on the left has neglected a few important vitamins somewhere along the line. How consoling to know that at least these three biology students have learned of the nutritional values of ice cream, candy and Sugar Jets. Perhaps they can teach Joe Bones a thing or two. I don't think he'll listen, though; he seems mighty proud of the fact that he went from 90 lbs. to 9 lbs. in 9 days on the sensational Joe Bones reducing diet.

Juniors score huge success.

The junior year in high school is said to be the hardest. To this all juniors will agree. Along with the added burden of more tests and harder studies there is the realization and taste of what is to come in their senior year. The pull is hard and the pressure is strong but the juniors know the results will be worth the effort. They will be fully prepared to accept with confidence the duties of their senior year and those of later life.

JUNIOR CLASS OFFICERS
Junior class presidents Joe Miano and Diane Benken converse with their vice-presidents Jean Perriah and Tony Pisano.

Junior class minutes and funds are discussed by Sam Perricone, Arlene Staples, Mike Nicklin, and Marcia Venegas.

Juniors dramatize

Bob David, Mike Hubbard and Mike Crowe, members of the physics class, observe and measure the temperature of boiling water.

Under the guidance of Sister Xavier, Pat Walsh and Karen Shull try to untangle the x's, y's and z's of Algebra II.

While Sister Clarice watches, Margaret Fitzpatrick, Pat Hardwig, Judy Reagan, and Lynn Burns perform an experiment which will open another door to the many mysteries of life studied in biology.

Jerry Zelko relates some of his knowledge of sociology to instructor Mr. Crowe.

scholastic ability.

Through Sister Alberta students learn that the study of religion must extend far beyond the classroom.

In religion Mike Nicklin beams unaware that someone besides Father Joe peers over his shoulder.

Sister Mary Benilda brings the events of American history into focus for her junior class.

Father Reed shows bookkeeping students, John Lombardo, Joe Roberts, Charlie Probst and Joe Shepherd, a quick, systematic and accurate manner of computing figures.

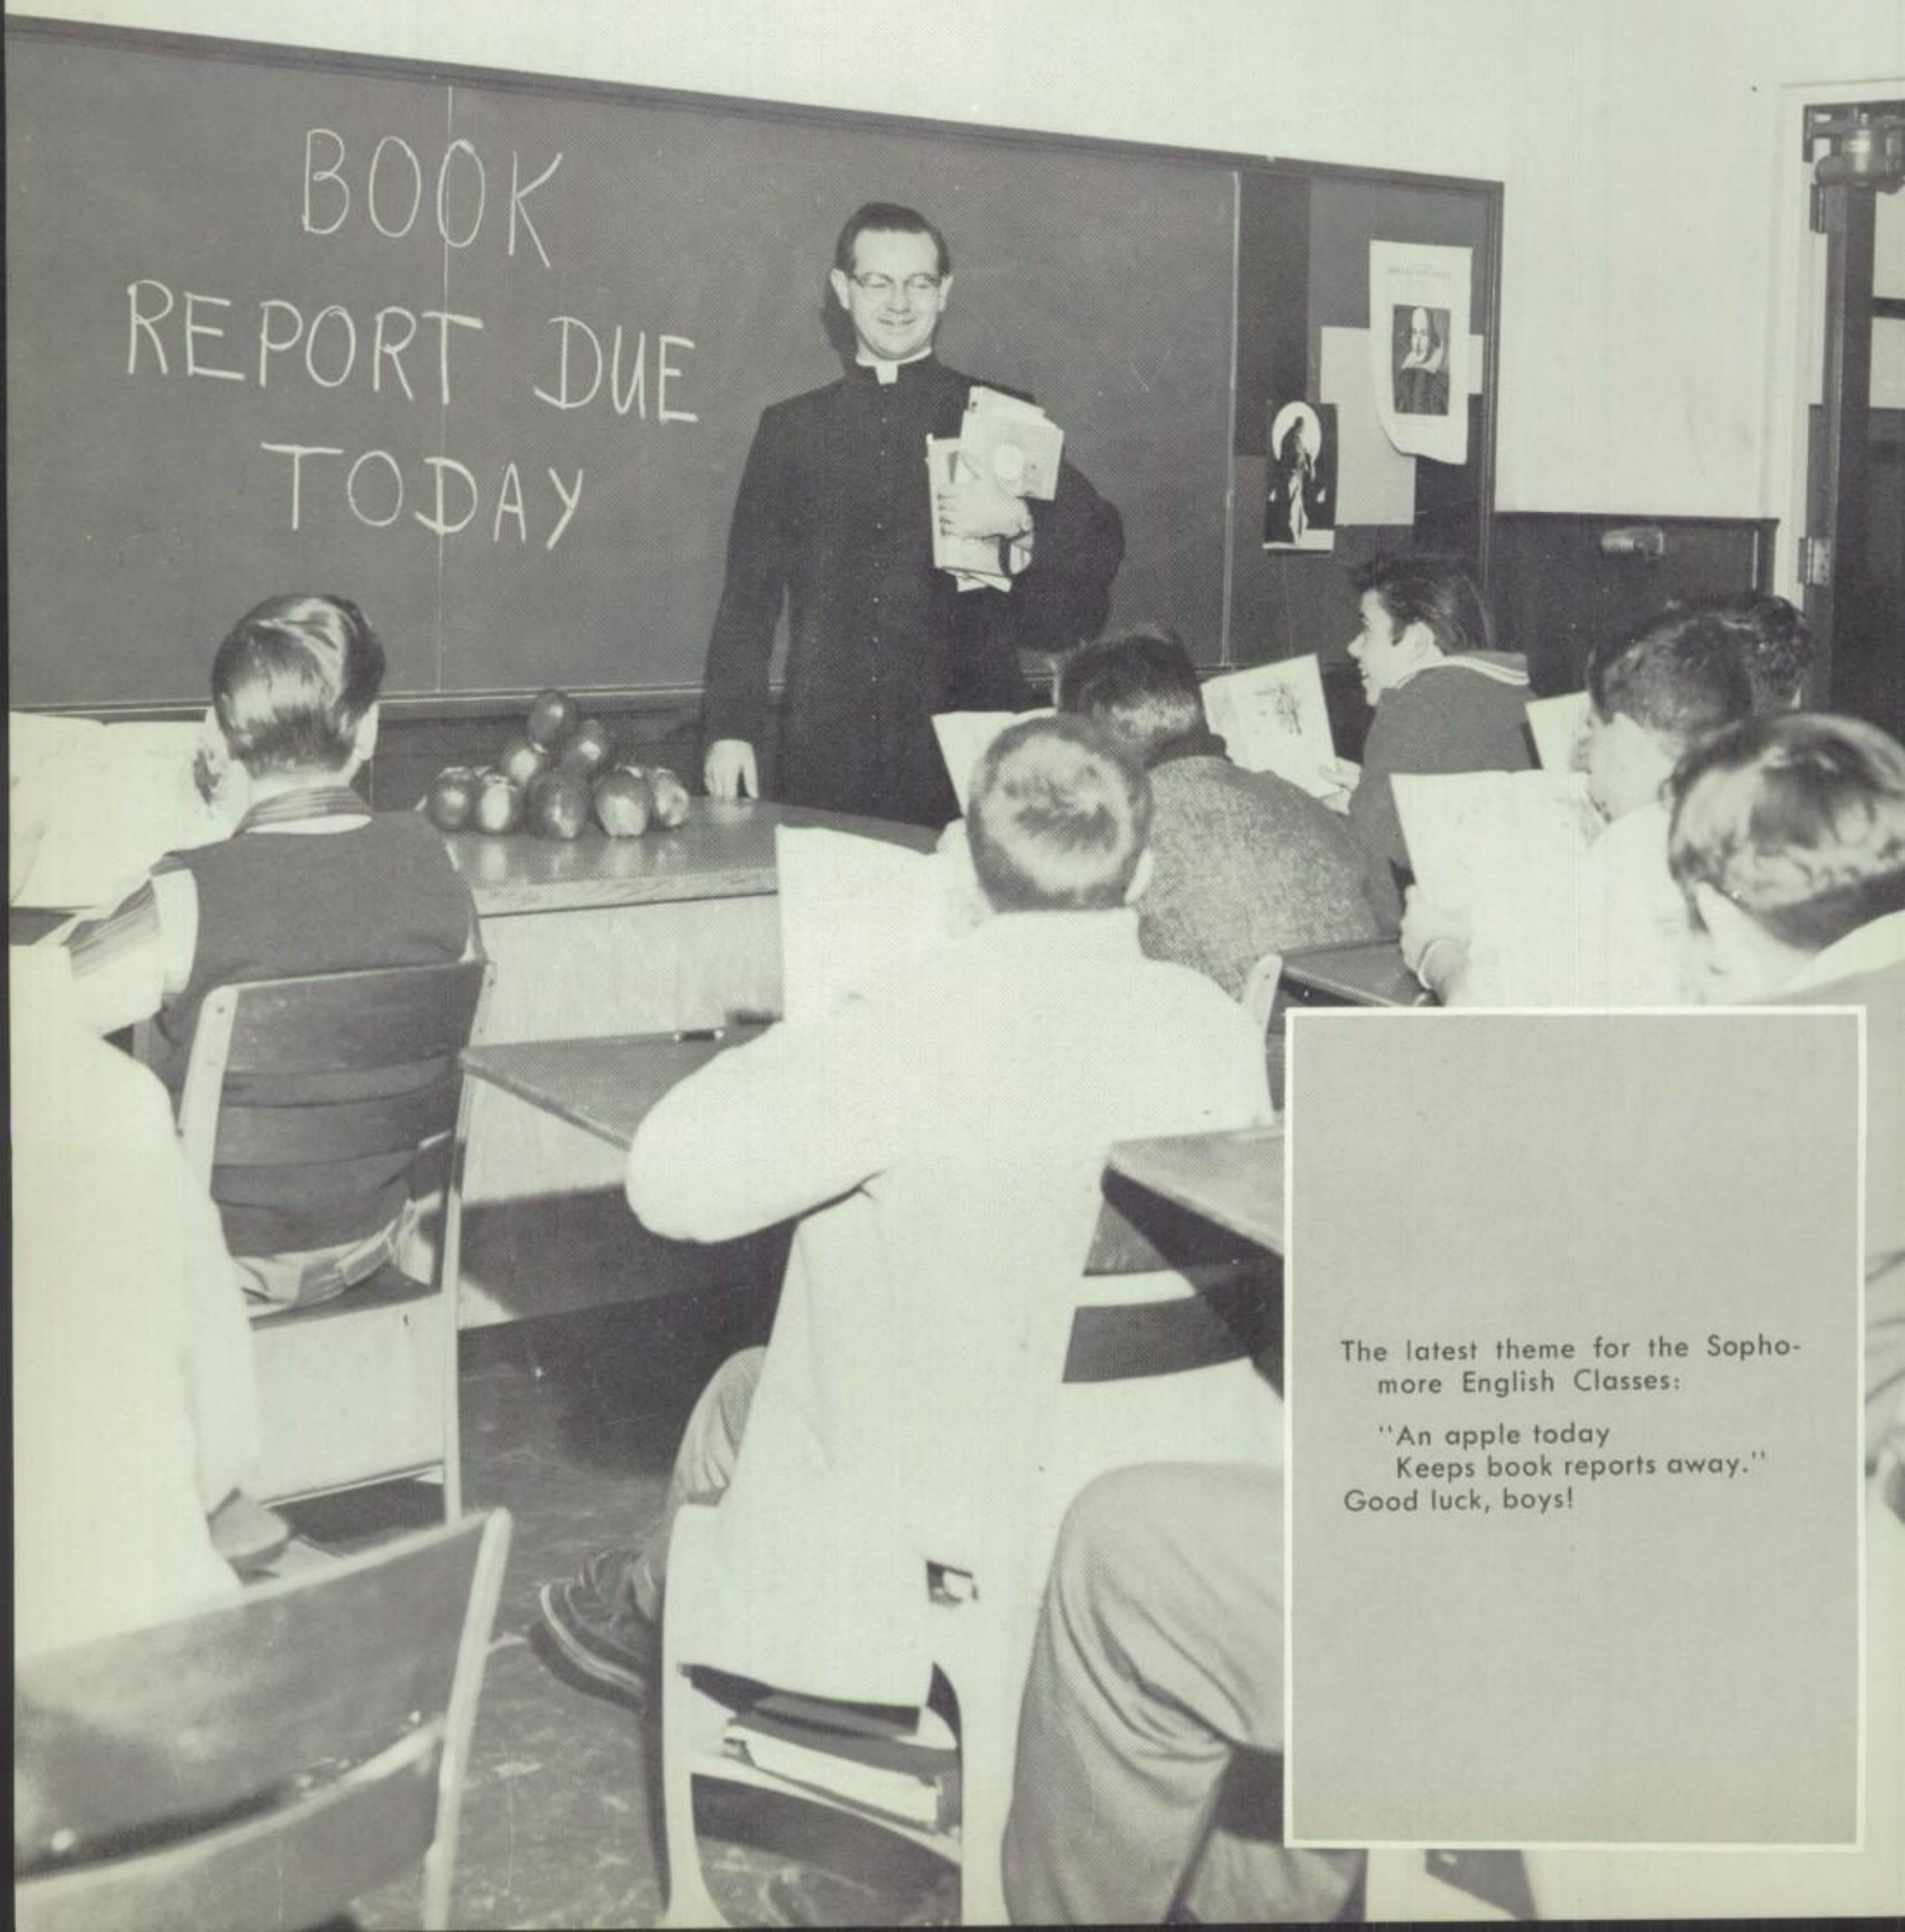
Sophomore Classes



The latest theme for the Sophomore English Classes:

"An apple today
Keeps book reports away."
Good luck, boys!

Sophs stage spectacular performance.

An integral part of Mission High School's progress in academic and social functions must be attributed to the Sophomore class. Evolving into a well organized and highly spiritual group, they have upheld the Christian spirit and tradition always attributed to Mission High's students. They have by outstanding co-operation and service to their school, typified the Christian student in all his facets of learning.

SOPHOMORE CLASS REPRESENTATIVES
Left to right: Steve Abney, Sally Crowe, Dennis Moran, Madeline Hethcote, Gary Jones and Nancy Walsh.

Dream on, Freshman. Someday it may all come true. Someday you might legally wear the Green and Gray Letterman's sweater which signifies your participation in a varsity sport. But right now you'd better stop daydreaming and get back to your studies, or you won't be around to see a Mission game—much less play in one.

Freshman Classes

Freshmen excel

as understudies.

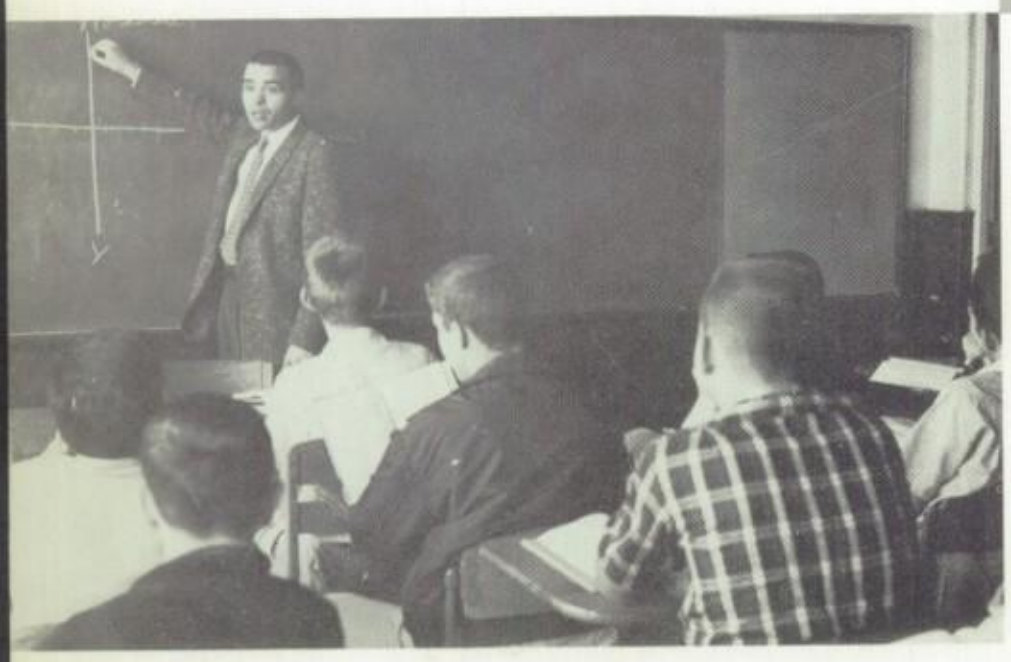
"Blessings on thee little man" is not altogether evident in the expression of the day-dreaming frosh (opposite page). Or is it just a vision of things to come in the future? But the time will arrive when the lowly freshmen are the lords and masters of Mission High, who "speak softly but carry a big stick." Take care frosh, the future of Mission is in your hands.

Left to right: Presidents:Ronnie Kirkpatrick and Donna Kelly. Vice-presidents: Dennis Murray and Judy Aust.

FRESHMAN CLASS OFFICERS

Left to right: Treasurers: Martin Delgado and Jackie Lenhart. Secretaries: Tom Semonell and Pat Moran.

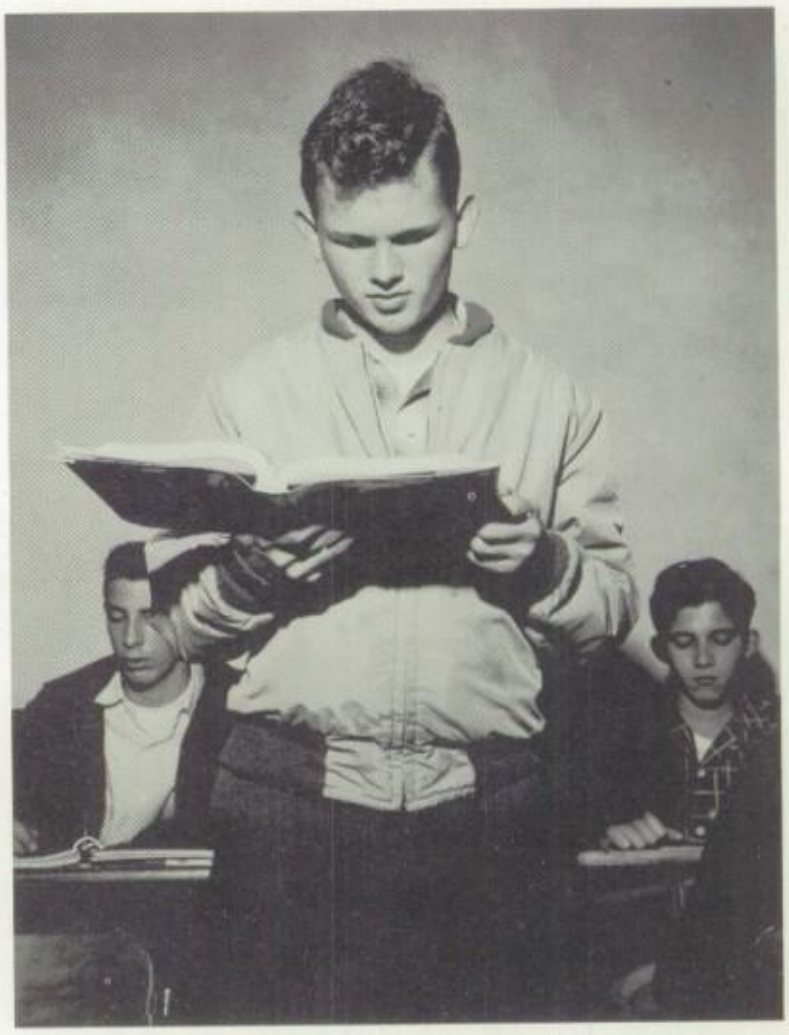
ANCIENT HISTORY
Industrious history student, Kurt Gunderlock, attempts to prove that the Tang dynasty is in existence today preparing that delicious orange drink TANG. However, I'm sure Mr. Crowe will refute his statement.



ALGEBRA
Mr. Curme explains to the algebra class the ordinate of a graph.

Frosh study

RELIGION
Freshmen ask God's blessings before they begin classes. Mission's motto "For God and Country" is truly the core of all school life.



MODERN READING
"Look, Tom. See Jane. Jane has a dog. The dog's name is Puff. Come, Puff. Come to Tom. Bark, bark!"

LIFE SCIENCE
Tom Shields, with other freshmen in the Life Science class, works on an experiment regarding the humidity of air, or the temperature of air, or body temperature. Well, he's got the thermometer!

GIRLS' GYM
Freshmen choose teams for a friendly game during their gym class.

the fundamentals.

FIRST AID
Freshman girls read the latest best selling first aid novel by Hippocrates.

Lights! camera! action! Action . . . that's the cue word at Mission. Even though a few of Mission's students (the clapper-boy, for instance) may not receive an Oscar for excellence, all deserve a band-aid for effort. There's a part for everyone, be it on stage or behind the scenes; and with the spotlight on good sportsmanship and school spirit, the endeavors of Missionites are always smash hits.

Homecoming Queen Cathy Simmons holds court with her royal princesses. **Left to right:** Pat Martin, Janet Ruh, Mary Beth Sheahan, and Pam Howard.

Queen Cathy reigns over annual festivities.

Homecoming was the greatest stage production of the year at Mission. The 1959-60 spectacular was directed by Father Patrick Finnigan, C.M.F., who was aided by capable co-stars, the football team. The excitement began when these co-stars were asked to select a star and a supporting cast of four girls from the senior class. This main cast was unveiled to the public at the Homecoming Rally, held the night before the actual performance.

The climax of this year's Homecoming was the crowning of the Queen and her princesses during half-time at the Mission vs. Pomona Catholic football game. Later that evening the main cast, assisted by members of the boys' student council, reigned over the Homecoming Dance, which concluded the exciting round of pageantry.

Hut! Two- three- four

With a rolling of drums and a clashing of cymbals, the Mission 'Dons' march onto the field.

Our band shows its prowess at the biggest event of the football season—Homecoming.

McNamara had nothing on Mission's band, the 'Dons.' Besides sounding the note of Pioneer spirit at football and basketball games, the band brightened the field with their colorful uniforms. Their busy schedule included the West Arcadia Band Review, Notre Dame Music Festival, Temple City Camellia Parade and Hi! Neighbor Parade among others. All performances deserved an encore, thanks to maestro Father Reed.

The end of the football season does not mean the end of band appearances, as is evidenced by its performing at our basketball games.

Missing are: Cathy Berger, Sandra Bonas, Bonnie Bullard, Sally Sue Dailey, Jean Muhs, Elaine Ramirez, Trudy Hitchcock.

Pioneers, forward march!

As this command is sharply given, Mission's Drill Team goes on the football field, in all its glory, to perform for its ardent fans. The "Dons," as they are called, go through many intricate routines which are cleverly worked out by Father Reed and their drill captain. The members of this fine team really deserve a big hand of applause for all their fine work which they have done in encouraging spirit here at Mission.

Mission's fine drill team aids the band in an interesting half-time formation.

Our high-stepping drill team once again distinguishes itself in the West Arcadia Band Review.

Stealing a kiss from the fair maiden, Cathy Simmons, is a rather happy pastime for the village Romeo, Chuck Ettari.

Marquees, Glee stage "The Emperor's New Clothes."

"The Emperor's New Clothes" will go down in the annals of Mission's history as one of the best musicals presented by the students. The success of this year's operetta was due to many factors: the tremendous support given by both student bodies in advance ticket sales, the "blood, sweat, and tears" shed by cast and crew members to present their best efforts, and the almost unending labor of the drama and music directors who shaped the performance.

Mission's 1960 operetta was under the direction of Father Henry Herrera, C.M.F., assisted by student directors Frances Pearne, Lana Jones, and Dave Scarminach. Sister Marie Christine, O.P., supervised the music while the band was under the direction of Father Robert Reed, C.M.F. Pat Eddy and Sue Sanchez were in charge of choreography.

Sheila Soller, John Kirkeby, Pat Eddy, John Scott, Jerry Hall, Dolores Arredondo, Bill Fowler and Stella Irigoyen frolic to a gay polka tune.

astonishing talent.

An absolutely unbeatable portrayal of the vain emperor was given by John Moran. Ellen Gatz proved to be an empress worthy of acclaim. Cathy Simmons and Chuck Ettari lent the romantic touch, while the three weavers outwitting everyone were: Mary Ann Colvert, Ginger Hoye and Pat Recor. As the curtain fell, everyone agreed that "The Emperor's New Clothes" would not soon be forgotten. Credit cannot be given to any one individual, for it was the combined efforts of over eighty people that resulted in such a splendid performance.

Marquees

"I am not mad! This hair I tear is mine!" From the recesses of 202 come the screams of an apparently tortured Missionite. Have no fear; it is merely Mission's Drama Club rehearsing for the annual Shakesperean Drama festival. This hard working group has produced such notable productions as "Along Came Harriet," a delightful comedy, "Las Posadas y Los Pastores," the traditional Mission Christmas play dating back to the time of the early padres, and "The Valiant," a stirring drama. Its members participated in the annual Shakesperean and Immaculate Heart drama festivals, and hosted a very successful drama festival sponsored by the Southern California Drama Teachers' Association. No, Mission's dramatists aren't completely mad, it's just that all that practicing has driven them all a little crazy!

Hard-working stage crew?

At the back of Mission's auditorium lies the inner sanctum and refuge of that notorious group called the "stage crew." All year they were continuously hounded by the heads of both wings with such moot questions as "Who took the piano?", "Doesn't anything ever work around here?" and "Who hid the cigarette butts in the makeup!" Thus, the innocent crew has been forced to subconsciously strike back at their antagonists. A sudden screeching sound over the P.A. during a stirring admonition being delivered by an irate faculty member or the sudden failure of the house lights during a parents club meeting may well be attributed to suppressed hostilities suddenly expressing themselves.

Ah, but what would we do without the multitudinous talents of this hard working group? Ask them to do any job from polishing the floor to hanging twenty feet off the ground on a scaffolding and they will gladly comply. Obnoxious as it may seem, our stage crew is an indispensable part of Mission High School.

Tower of Talent—Phil Cleveland, Mary Beth Sheahan, Max Whitney, Joe Roberts, Connie Jones, Doug Foley, Bill Fowler, George P. Zeliff III.

Watch out! Here comes Harriett! and she looks pretty angry! Kathy Medvetz, Ellen Gatz, Ginger Hoye, Jean Siterlet, Lana Jones, and Stephenie Simmons.

Veni, vidi, vici! Well . . . almost.

"Learnin' my Latin and havin' a ball" might well be the theme song for Mission's Aquinites. Deriving their name from the great teacher, St. Thomas Aquinas, the Aquinites claim him as their patron. In addition to encouraging the study of Latin, the club presents a Christmas play, in Latin of course; and this year a birthday party was held for Vergil (his 200th by the way). Being enrolled in the Junior Classical League, the club was represented at various state conventions including the one held at Los Angeles High School. Keeping Latin alive at Mission is a full time job well handled by the Aquinites.

Parlez-vous . . . espanol?

The closest thing to visiting Paris is belonging to the French Club. Having a moderator who was born and raised in France, the club learns all about Paris and the customs of the French people. Corresponding with French pen pals is an enjoyable pastime; and the delicacies of French cooking are sampled when the club visits French restaurants. All members agree that French can be fun—even if you can't speak it.

Hungry? Then join the Spanish Club and be treated to a delicious dinner of tacos, enchiladas and frijoles at El Poche's Restaurant. Aside from being the best fed club at Mission, they also try to improve their Spanish. Weekly conversations enable the members to speak Spanish more fluently, and gives the club a chance to think up a theme for their annual play. This year it was "Our Lady of Guadalupe." All members agree that Spanish can be fun—even if you can't speak it.

The Kamera Klixers, under the direction of Sister Mary Clarice, is the "snappiest" group at Mission. They spend a great deal of time taking "adorable" candid shots (adorable to everyone but the subjects). The results of learning the "hypos and fixers" of photography are evident in the monthly photographic contests. The club worked hard and had a lot of fun, and by this time next year hope to have some pictures developed.

Kamera Klixers flash way to fame.

Lacordaires learn to think on their feet.

You can always expect that when a bunch of girls get together for speech class, they won't have a very hard time jabbering about something. Under the direction of Sister John Dominic, the Lacordaires learn correct ways of speaking both in public or just with a few of their friends. They learn the correct manner of holding debates, forums, and panel discussions. This is certainly a good way to put women's gabbing mouths to work.

Future teachers prepare now-

The Future Teachers Club is an organization composed of students interested in the teaching profession.

The members gain much practical experience by helping teachers correct papers, by observing teaching methods in the classroom, and, on occasion, by engaging in substitute teaching.

The meetings of this club are spent in sharing teaching experiences with fellow members and, when, possible, with Future Teachers Clubs of other schools.

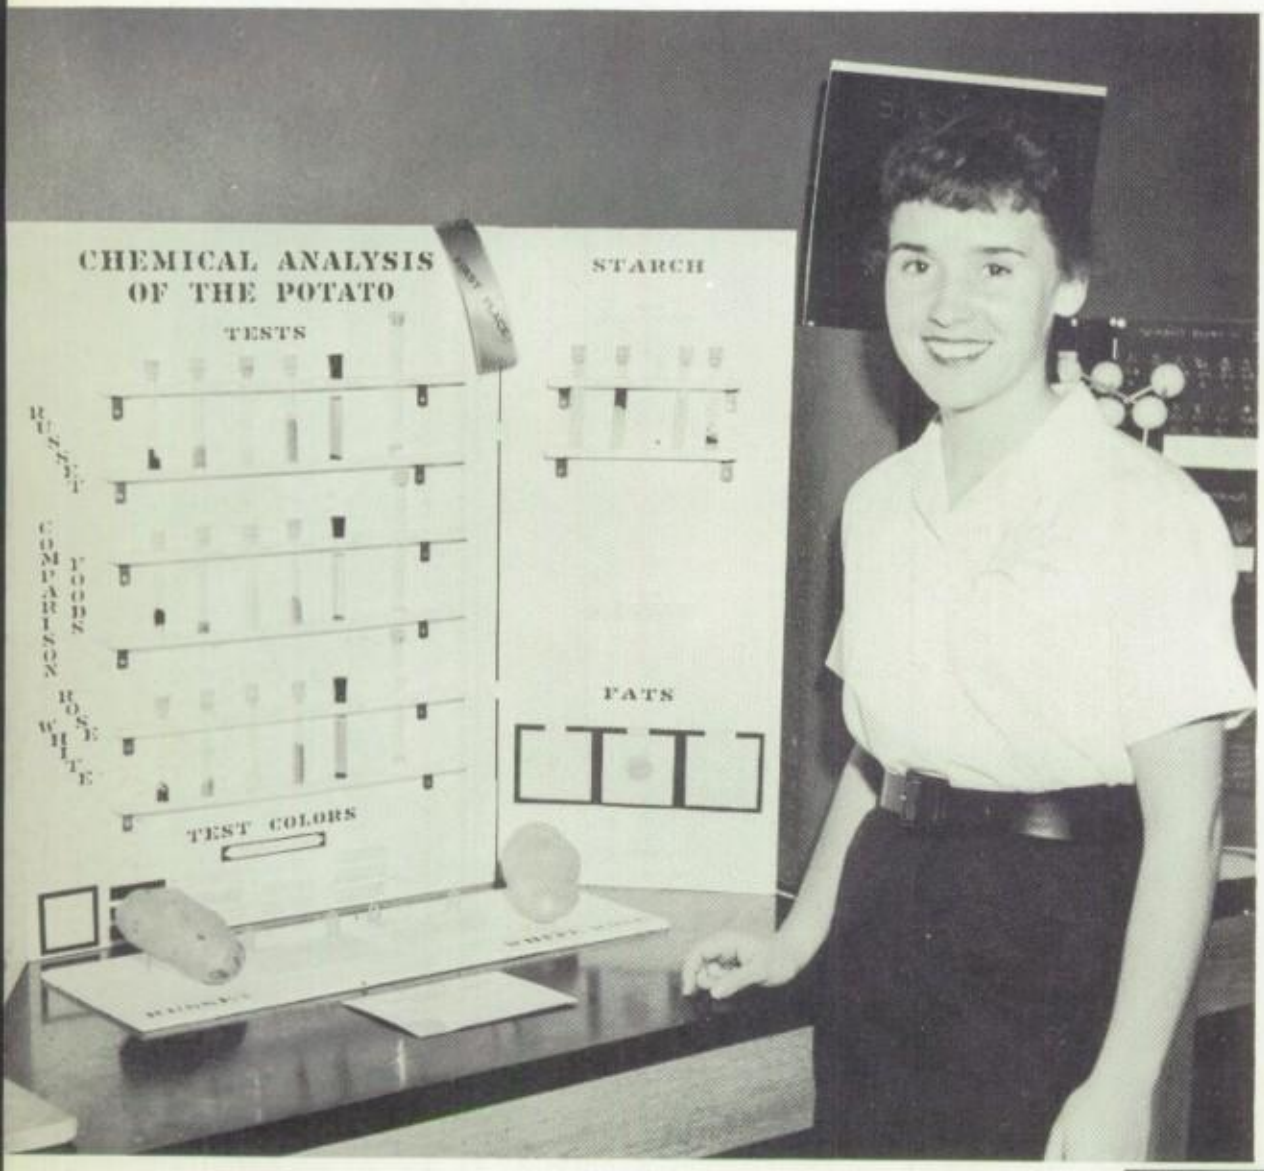
Unlike other clubs at Mission High, the Pioneer Science Club has no meetings and no club project. This small group which is composed of volunteer Physics and Chemistry students meets weekly on Thursday evenings under the watchful and helpful eye of Father Reed. The club members devote their time to working on long experiments which couldn't be completed during the regular class period, projects for the annual school science fair, and various other scientific undertakings which will be beneficial to them in future study.

To further the interest of Mission students by bringing the world of science down to earth is the goal of the Tri-Sigma Club. Meetings are never dull for they always include movies or discussions on current science topics led by Sister M. Clarice. The Science Fair is under the capable direction of the Tri-Sigmas and thanks to them it was smoothly run. Back from one trip and off on another seems to be the motto of the club for they are constantly on the go. This year's itinerary included the Zolatone Paint and Chemical Company, Stewarts Formula Company, Avon Cosmetics Company and the State Pathological Laboratory.

Science honors at Mission exhibit.

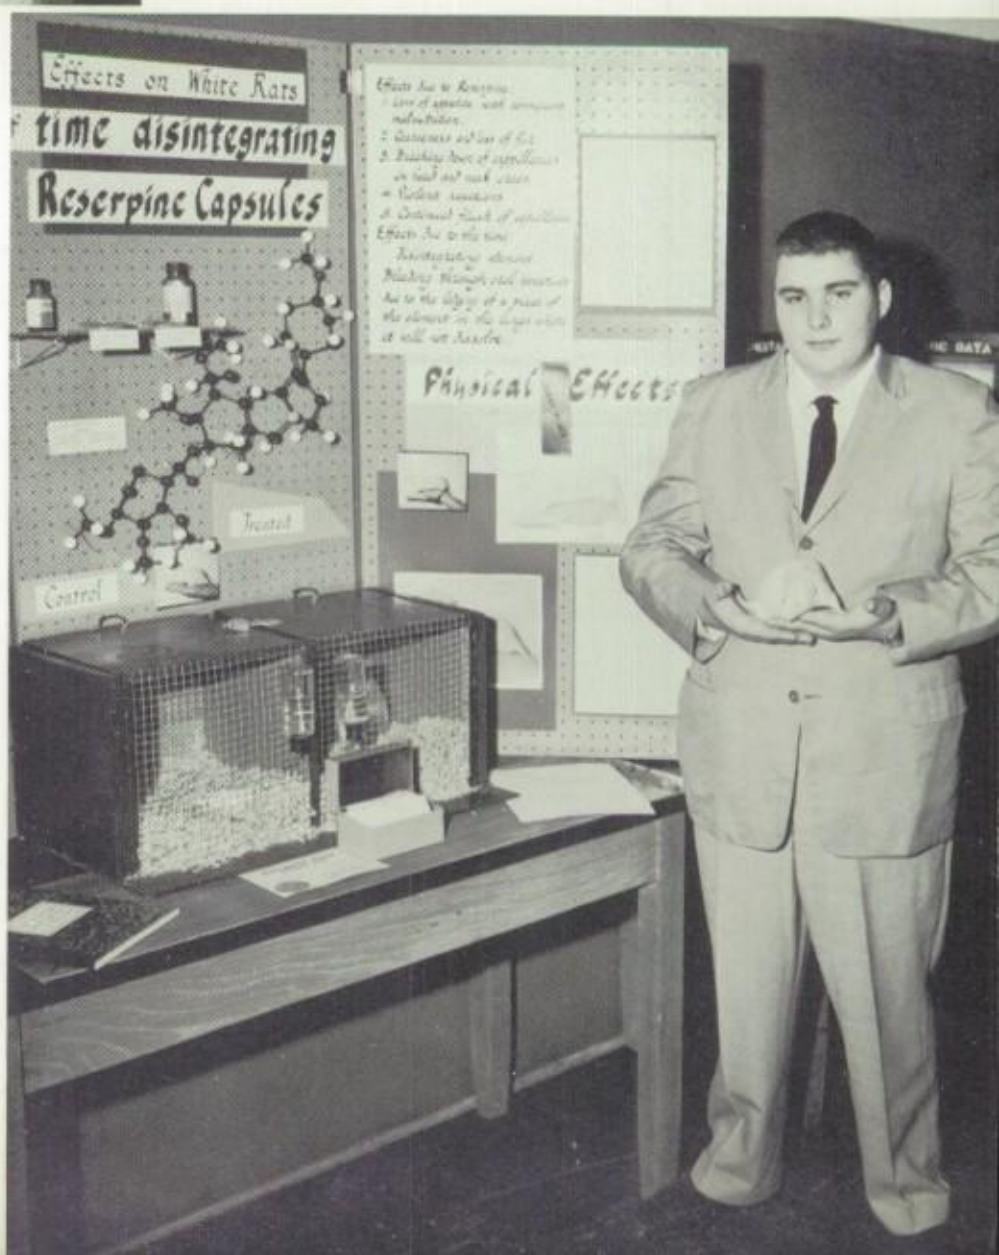


Nan Weatherfield joyfully smiles over her first place Physical Science award, "Analysis of the Potato."

Once again the scientifically inclined members of the Junior and Senior classes crammed the school auditorium with fascinating and educational displays in Mission High's Seventh Annual Science Fair. Demonstarting a tremendous variety of subjects ranging from an intricately detailed model of an atomic reactor to an analysis of the chemicals in the bone, students under the watchful eyes of their instructors, reveal their creative genius. These displays are a concrete example of young America's future scientific ability.

Science Fair 1960

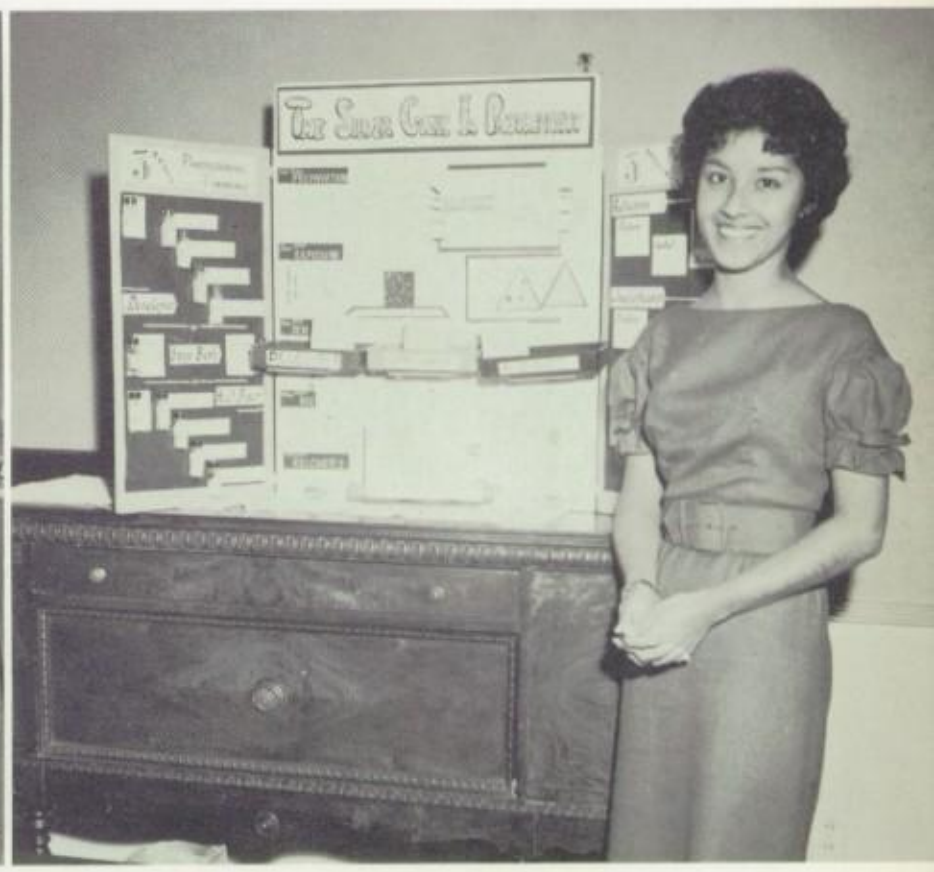
Capturing top honors in the Biological Sciences, Pat Donnelly showed the effects of time disintegrating Reserpine Capsules on white rats.



Biology reveals secrets of life.

"Mineral Deficiencies to the Fore" by Janet Abdalla captured the third prize in the biological division.

Using her experience as photography club president, Marie Talavera devised this project on "The Silver Cycle in Photography," which captured a third place award.



Bill Fowler stands next to his project "Sound Via Light" which won him a fourth place in the physical science division and a craftsmanship award.

Phil Cleveland poses in front of his "Model Oil Refinery" which won fourth place in the physical science division of the science fair.

Mary Tronske's fourth place project, "Sonic Effects on Planaria," is an excellent example of the caliber of Mission's science fair.

This clever exhibition of the "Life of a Gopher" won Cathy SeLegue third place in the biological sciences.

Chemistry proves quite a blast!

An eye-catching display in addition to a great deal of scientific research is represented in Mary Jo and Elizabeth Ann Fiegel's project "Crystallography."

Joy Willin exhibits her project "Control of Stem Growth by Light and Gibberellic Acid" which received a second prize in the biological sciences division.

"Environmental Effects on Artemia Salina" was the interesting topic studied by Doreen Neustatter, 4th place winner.

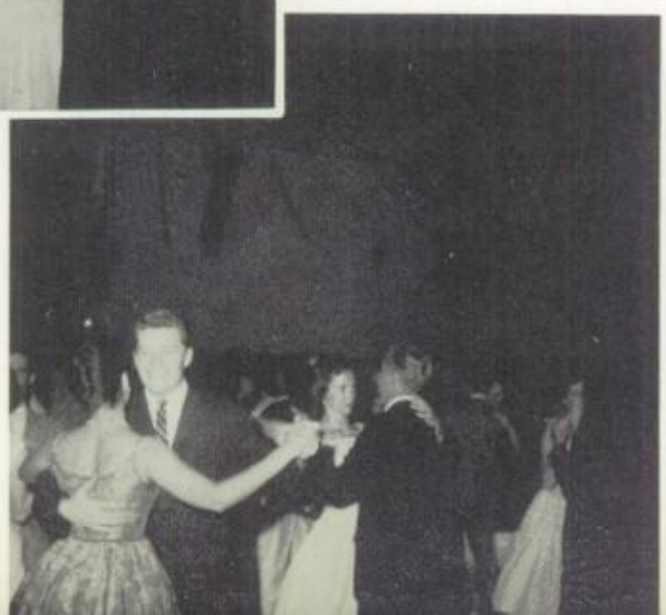
Beneath a sparkling chandelier, ladies and gentlemen enjoy an evening at Enchantment Palace.

Music of Bob Rogers Quintet kept royalty swinging at Senior Dance.

Fun and fantasy accompany dances.

With the sparkle of an eye and the swish of filmy chiffon, Mission students danced many a happy night away. The atmosphere was set by hard workers who succeeded in filling Mission's auditorium with "Autumn Splendor" or transforming it into a magnificent ballroom of "Enchantment Palace." Students leaving Mission will recall with happy nostalgia those wonderful nights filled with Johnny Mathis and the "Hullie-gullie."

Sodality Prefects, Mary Canny and Terry Lenhart, crown the Blessed Mother at the Sodality Dance. Below: "Shall We Dance?" proved to be a very apt theme for the Sodality Dance.



Dreamy music contributed to the atmosphere as Queen Cathy Simmons sets mood for Homecoming Dance.

Block "M" keystone to athletics.

The goal of every sports minded Mission boy is membersip in the Block "M", the exclusive athletic organization composed of varsity lettermen who have been voted into the club. They have helped younger boys learn good sportsmanship by sponsoring the annual grammar school basketball tournament and obtained money for sports equipment through the Block M kick-off dance. As examples of good sportsmanship themselves, they help keep Mission spirit at its enthusiastic height.

School spirit and good sportsmanship is fostered in the left wing by the Girls' Athletic Association. Working throughout the year in cooperation with the faculty, the G.A.A. has organized the intramural volleyball and basketball competition culmintating in the much anticipated Play Day. The highly successful varsity volleyball and basketball seasons were due to the active participation of these spirited Missionites.

Glee clubs handle

Quartette: Phil Cleveland, Louis Mortillaro, Bob Cardinale, Vince Mulrooney.

Under the direction of Fr. Henry, the boys' glee club has developed into a very talented group. They have sung at various places and have won the favor of their audience at each performance. It's a lot of back-breaking work, especially on the part of Fr. Henry, but with their one thought in mind, "do or die," these "stout hearted men" have pulled through and sounded their melodious voices at places such as Mt. St. Mary's Choral Festival, Mission's Spring Festival and the San Gabriel Valley Division of the Archdiocese of Los Angeles Choral Festival.

The very musically inclined quartette is a member of the S P E B S Q A . . . Society for the Preservation and Encouragement of Barber Shop Quartettes in America.

Through plenty of hard work, cooperation, and just plain talent, the glee club had a very successful year.

Sister Marie Christine, O.P., directs the glee club with accompaniment of Sally Crowe.

As the sweet strains of "Ave Maria" float lightly through the corridors of Mission High, a visitor pauses questioningly, wondering where that "celestial singing" is coming from.

"Oh, that's the girls' glee club," answers a Mission student.

"But it's a holiday and 8:00 in the morning," exclaims the surprised visitor.

"That's the glee club for you," says the student nonchalantly, "always practicing. They have a lot to practice for. Besides their appearances on radio and television, many Christmas programs, the Mount St. Mary's Choral Festival and Mission's Spring Festival, there was the San Gabriel Valley Division of the Archdiocese of Los Angeles Choral Festival, directed by our own Sister Christine, O.P. You can see why we're so proud of them."

"Thanks a lot," says the white-robed visitor, as he finishes jotting down notes in his little gold book. "We were wondering up there what the glee club's secret was. Now we know—hard work!" With that, he unfolds his wings, adjusts his halo, and flies off into the blue."

MARY -
Our Leading Lady

Ad Jesum Per Mariam . . . to Jesus through Mary, reveals the goal of Mission Sodalists: to follow in the footsteps of Mary by doing their best in all they do, for the glory of God.

Sodalists participate in honoring Mary through the "Living Rosary."

In the spiritual life of Missionites, Mary plays the role of Mother, constant companion, and helper. It is in the Sodality that Mary stars, for the Sodalist endeavors to live as her understudy.

Whether it be helping needy families or planning a dance, you'll find the Sodalist ready, willing, and able to do his share. Christmas provides opportunities for distribution of baskets, and the sale of Christmas cards for foreign Missions; while May is reserved for special devotion to Mary with the May Crowning highlighting the activities. Making string rosaries, teaching catechism, and visiting hospitals are year-round duties of the Sodalist.

In a lighter vein, the Sodality sponsors the annual fashion show, the Halloween skating party, and the talent show. "Shall We Dance?", the theme of the Sodality dance, lent an Oriental touch to the activities as well as being one of the most popular occasions of the year.

"Catholic Action under the auspices and inspiration of the Blessed Virgin Mary" was the outstanding performance rendered by the 1959-1960 Sodality at Mission. September through June, Sodalists are a boon to the campus by their spiritual and social example following steadfastly their motto and aim "To Jesus through Mary." Taking the lead in Sodality functions are the Senior Sodalists. These girls, both life and auxiliary, have consecrated themselves under the powerful protection of the Mother of God. Mission's Sodality works side by side with Mary preparing students for their greater roles in the framework of the Church.

spiritual offense.

This year the Boys' Sodality reached its highest membership in the history of the organization. However, in order to form a more workable society, the group was cut to a hardworking few. Led by upperclassmen, the sodality performed spiritual and corporal works of mercy throughout the school year for the cause of Mary. At Thanksgiving and Christmas, baskets of food and clothing were distributed among the poor families of the archdiocese. Sodalists participated notably at the Union meetings held at Mission and other schools during the year. However, most of the sodalist's energy was devoted to activities at Mission: monthly meetings, the sodality dance and skating party, devotions to Mary, and numerous other tasks—all done for the Mother of God.

Sodality sponsors fun and frolics.

Ah! What talent abounds at Mission High! And how eagerly Missionites display it! Yes, the Sodality sponsored talent show brought out the hidden talent in many a stuttering freshman and suave senior. The Juniors displayed their abilities in a skit about George Gershwin while the Seniors captured their audiences and took them to "Grand Avenue, San Francisco" to the music of "Flower Drum Song."

Missionites displayed equal ability in the art of skating. This annual Sodality escapade brought out the savage qualities in many students who insisted on coming dressed as Frankensteins and dead bodies, not to mention the Mafia who showed up complete with machine guns in the mob wagon—the big, bad, black Willis Knight.

Girl of Mission
Ellen Gatz

We honor our outstanding Missionites.

Besides being an able leader, star athlete, Sodalist, Vigilante . . . Joe Perricone served as Student Body President this year. He has been class president during his freshman, sophomore and junior years. Since his sophomore year, Joe has been a starter on the Pioneer football and baseball varsity and for the past two years has sparked the varsity basketball team by his alert plays.

Standing high scholastically, Joe is a member of the California Scholarship Federation. Joe Perricone, "Boy of Mission" has been a capable leader and will always be one—wherever he goes and whatever he does.

Life Sodalist, glee club member, Kamera Klixer, C.S.F. life member, Class President for the past two years . . . yes that's her. It would be hard to find one more deserving to be the "Girl of Mission" than Ellen Gatz. Besides her musical talent and leadership qualities, Ellen was the lead in the operetta, Mission's representative at Girls' States and received the Honors at Entrance Award to Immaculate Heart College.

As a life consecrated member of the Sodality she leaves her Alma Mater strong in spirit; as a life member of the C.S.F. she leaves strong in mind. As the "Girl of Mission" Ellen leaves happy memories to all with whom she has been associated.

The C.S.F. sponsored "Good English Day" in an effort to rid Mission of the use of slang. Among the more successful activities of the club was the trip to St. John's Seminary, Camarillo, where the girls toured the famous Doheny Library. All C.S.F. members agree it's no easy task to maintain high grades but a very worthwhile one.

The California Scholarship Federation is the exclusive honor society of Mission for those who have met its rigid standards.

The C.S.F. is interested in a well-rounded student—one who lends his service to extra-curricular activities as well as to his own benefit. Thus we see the meaning of its motto "Scholarship for Service."

The C.S.F. members are rewarded for their zealous efforts with an educational field trip each semester. This year the C.S.F. sponsored a chess tournament.

"There's no news like good news." That's the motto of the hard working Angelus staff, ever rushing about gathering juicy tidbits of information and meeting those maddening dead lines. Covering every phase of student life from the Sodality reception to the latest football game, the young staff members learn first hand the true meaning of Christian journalism and the power of the printed word. Combining good common sense writing with a sprinkling of wit and imagination, the Angelus staff puts out a paper which is eagerly devoured by students and faculty alike.

THE ANNUAL STAFF

The 1959-60 academic year saw the Yearbook staff with a new, smiling, "come on, gang, let's get to work" moderator, Fr. William King, C.M.F. At last, thought the staff, we shall work only as hard as we like. Well, months passed and the staff soon found out that they could not work as hard as they liked; in fact, they worked as hard as the moderator liked. As the picture reveals, the staff had no choice but to work. Of course the moderator was slightly humane. He provided the staff with a cabinet full of NO-DOZ and NESCAFE, etc. Naturally this way the staff certainly got some work done (after a fashion) and the annual certainly did go to press (after a fashion).

Let us consider what the staff did accomplish this year: well, they purchased a portable loud-hailer with which to annoy Sister Mercia and the library gang; they spent more time climbing over the library balcony than any previous staff in Mission's history; they shot 500,000 useless pictures that were sold to the F.B.I. for an enormous profit; and they promoted "let's all become egotists day."

In a serious note the yearbook staff has definitely not been serious; in fact, it is a very debatable matter whether or not a yearbook staff exists at all. If they do exist, then where are they to be found? It is rather improbable that the noise resounding from the little room above the library could be the direct result of work. It is possible, however, that the noise is the result of a pitched battle over whose picture will appear more times in the annual.

But it is more probable that after the moderator has succeeded in throwing out the staff, or quietly disposing of them, he settles down wih his coffee and vitamin pills; and works until the clock strikes midnight on another issue of the Pioneer that will bring many happy hours of remembrances for years to come . . .

Boys maintain "ground observer corps."

One of the most famous (or infamous, as you will) organizations at Mission High is the Vigilantes. These green-clad Zorros of the campus assist our beloved disciplinarian, Father Joe, in his duties. One can always find them patrolling the halls, setting an example of angelic obedience to school rules and seeking out those who would dare defy authority. Our vigilantes—ever vigilant.

Trumpeters and Conquistadors labor zealously.

Keeping Sodalists informed keeps the Gabriel's Trumpet staff pretty busy. In keeping with the Mission spirit, they work hard to remind the girls of their duties to the Sodality and publicize the work of the ever active Marianites.

Ah, here we have journalism at its supreme perfection. Working night and day in splendid cooperation and staff spirit, these brilliant newsmen have succeeded in putting out a total of ½ a paper of real writing. Undaunted by the jealous glares of the Angelus staff, our Conquistador staff adopted the motto "Genius will out" and recorded in newsprint the **real** Mission, insane but happy.

ALUMNI OFFICERS

The alumni is an association of all the past graduates of Mission High. Their president is Jim Taylor from the class of '57. The alumni hold regular meetings in which they discuss future activities and events. They put on special dances and recreational activities for the members throughout the year.

"OK you guys," yells out a cute platinum blond, "on the count of three! . . . one, two, three!" With that, 150 green and white cards covered the stands in a beautiful Block M. Impressive? Definitely! And the amount of work put into the production of Mission's 1960 card section is also impressive. But this is only one sample of the many services performed by our Pep Commission. Working artistically on posters, announcing coming games and selling buttons and beanies for the parents club are just a few of their jobs, all well done.

BOOSTER CLUB OFFICERS
Mrs. Jasinski and Mr. Derby display their friend, Harvey, who was raffled off in a Boosters' money-raising project.

Every big production must have dependable backers. Here at Mission High we are proud to have a parents' club behind us that is willing to go all the way for the good of the students. Throughout the year, our parents have stood ready, willing and able to supply the school with sports equipment, typewriters, and our pride and joy, the beautiful curtains enhancing Mission's auditorium.

To make this possible, our moms and dads joined with the students and the faculty to produce a Pioneer Days which was thoroughly enjoyable as well as profitable.

We the students would like to thank our parents for their cooperation and support throughout the year.

The parents behind the boys behind the ball—that's the boosters. Maybe selling beanies and "Pioneer" buttons may seem insignificant to you, but let's take a closer look. Besides encouraging ticket sales, arranging parking for sports events, and donating needed sports equipment, the boosters join with the Parents' Club in filming athletics for improvement-minded coaches. Though raffles and money raising projects help the cause, most of the money for these purposes comes from the boosters own pockets. So you see, these spirited parents play an important part in Mission athletics.

Sports are essential to a well-rounded education. Through the activities provided by our fine athletic department, the students are prepared for a special kind of "give and take" much needed in today's world. Properly directed, sports help develop good character traits in students. Mission's athletic competitions foster good sportsmanship, fortitude, and a spirit of loyalty. Through these games, students learn to know and appreciate other people. Exercising and training the body are as necessary as exercising and training the mind.

Mission opened the best season in the history of the school with an impressive 20 to 0 win over the Chaminade Eagles. The Pioneer offensive team displayed first game jitters in the first half, but erupted in the second half with three touchdowns by Joe Perricone, Steve Hudson, and Bill Reiss to stun the punchless Eagles. Mission's defensive "iron wall" held Chaminade to a mere 25 yards gained.

The Pioneers combined a powerful offense with a stubborn defense to whip Don Bosco into submission with a 27 to 6 victory. The cross-town rivals surprised Mission with a quick touchdown, but the Pioneers recovered their poise and controlled the Techmen for the rest of the game. Joe Perricone harassed the Techmen for three scores—two on runs and the other on an eight yard aerial to Bill Reiss. Steve Hudson bulled through the line for the other tally. John Stewart booted three conversions.

Mission continued their winning ways with a 47 to 6 trampling of St. Bernard. The game gave the Pioneers an opportunity to test their reserves and sharpen their techniques at the expense of the Vikings. The "starters" played the first half scoring four times on runs by Steve Hudson, Aurelio Gonzalez, and two long punt returns of 75 and 50 yards by Wally St. Clair. The reserves added three more in the final half with scampers by Joe Kingston and Joe Perricone and a pass from Rich Hebhardt to St. Clair. Johnny Stewart split the uprights five times that afternoon.

Mission had no trouble containing St. John Vianney 26 to 7 for their fourth straight win and a perfect pre-season record. Aurelio "Orbit" Gonzalez stunned the Nobles with three touchdowns—one on a beautiful 75 yard punt return. Joe Kingston supplied the other score with a three yard plunge. Again the stingy Pioneer defense, "the iron wall," allowed only one score and contained the high scoring Nobles throughout the game.

St. Francis spoiled Mission's opening league game with a 27 to 0 victory over the Pioneers. Mission fought hard throughout the entire game, but they couldn't seem to co-ordinate their efforts. Several times they advanced the ball inside the Knight twenty yard line only to be stopped short of a touchdown each time. Many players received injuries during the game, but despite all, the Pioneer spirit never waned once during the contest.

Mission got back on the winning trail with a 33 to 6 victory over a young St. Paul eleven the following week. The Pioneers scored quickly with Chuck "Bullet" Bellitti plunging over from the eight yard line. Bill Reiss set up another touchdown for Aurelio Gonzalez with an alert pass interception. Wally St. Clair, Gonzalez and Bellitti each added another touchdown to the Pioneer collection. The surefooted Stewart converted thrice to complete the Pioneer scoring.

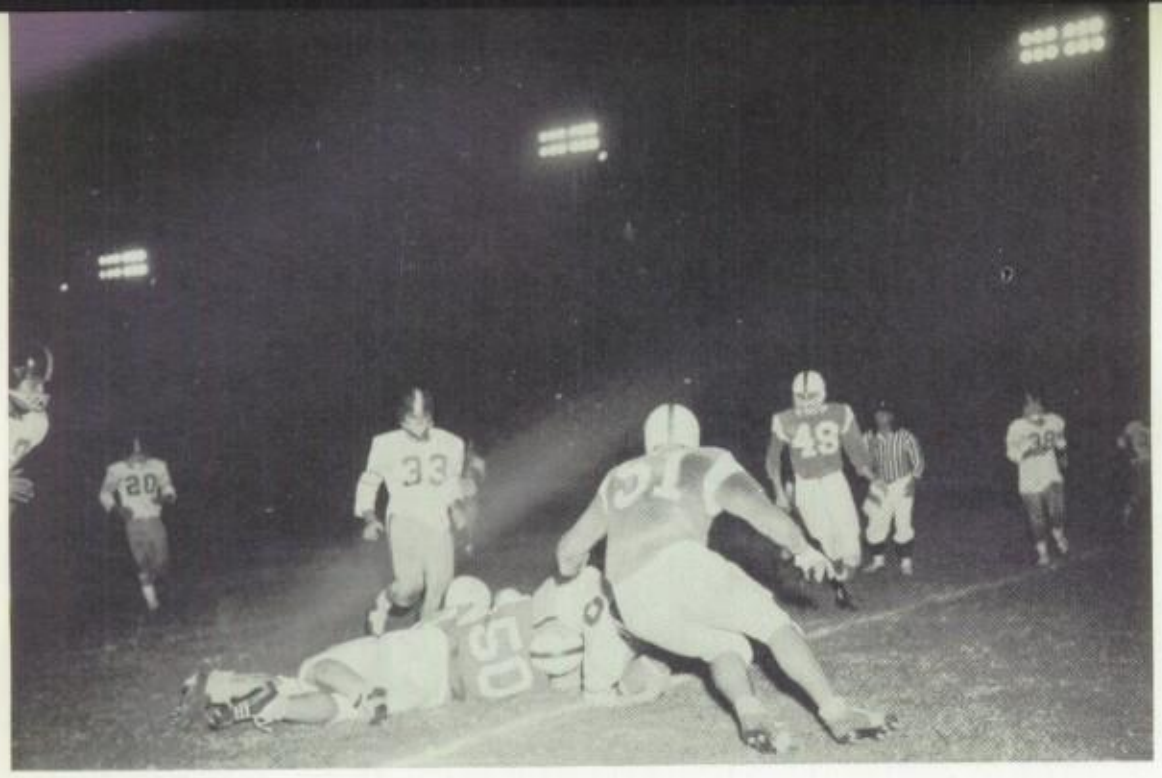
The Cantwell Cardinals provided the biggest disappointment of the season for the Pioneers with a 20 to 0 win over Mission. All Mission could salvage was a moral victory. The Pioneers pushed the Cardinals all over the field, but couldn't score. Mission penetrated the Cardinal twenty yard line five times and each time committed a fatal miscue which cost them a touchdown. The Pioneers actually outgained Cantwell in everything but the final score.

Joe Perricone eludes an enemy tackler as John Stewart comes up to block another obstacle out of the way.

The Pioneers gave Mater Dei quite a scare before falling to the Parochial League Champs 28 to 6. Mission took the kickoff and drove the ball down the field to the Monarch three where "Orbit" Gonzalez flew over for the six points. However, the hard-running Monarchs retaliated with 4 touchdowns to crush Mission's hopes. The Pioneers played an excellent game—moving the ball well. In fact with a few breaks instead of mistakes the score might well have been reversed.

The season closed on a bright note for the Pioneers. For the first time Mission defeated Pomona Catholic 28 to 7. The scrappy Spartans were no match for the powerful Pioneers. Steve Hudson started the scoring with a one yard plunge. But Pomona bounced back to tie the score. Before the half ended Gonzalez orbited for a touchdown to put Mission in the lead.

Chuck Bellitti dashes around end as Joe Santore prepares to block a potential tackler.



A would be Saint Francis gain is stopped cold by John Moran and Terry Lenhart, with Sam Perricone and Jerry Zelko racing in to assist.

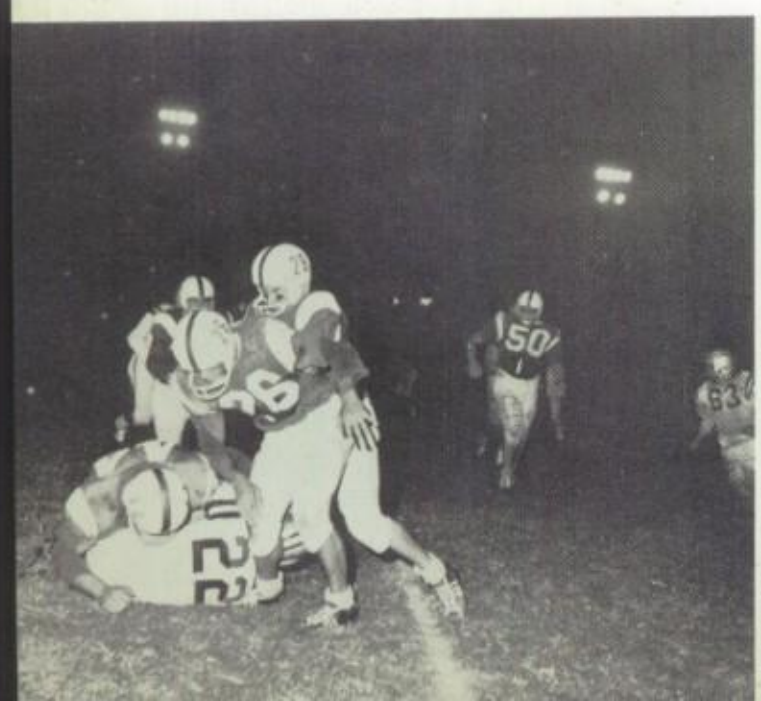
Seniors make up nucleus of squad.

Aurelio scored twice more in the last half as the iron wall superbly contained the Spartan attack. Johnny Stewart had a perfect night booting 4 for 4 to end the season with 19 conversions to his credit. The homecoming victory was the perfect compliment to a fine season—"the best yet."

Mission's 6-3 record for the season did not come easily. Coach Bob Holycross and his efficient staff worked endlessly to drill the Pioneers and perfect their style. The results of their work is a fine tribute to Mission: Record 6 won 3 lost. Mission's total points 214—Opponents 80. Seven Pioneers were placed on the Parochial League all star team—Joe Jasinski (guard) first string; Aurelio Gonzalez (halfback) second team; Bill Reiss (end) second team; Sam Perricone (guard) second team; Al Abney (tackle) honorable mention; Chuck Bellitti (fullback) honorable mention; Terry Lenhart (center) honorable mention.

Next year the Pioneers should break this record with a horde of experienced lettermen returning.

Joe Jasinski downs a hostile player behind the enemy lines, while Aurelio Gonzalez and Gary Condurachi stand by to make sure he stays down.



John Stewart speeds down the side lines after taking the kick-off deep in his own territory.

Aurelio "Orbit" Gonzalez soars for a long gain around Bosco Tech's helpless line.

Mission 46 — Chaminade 0

The 'B' team ran at will against a completely outclassed eleven from Chaminade. Only the use of the entire squad kept the score from 'orbiting'. This game gave the 'B' team the needed confidence to weld a strong eleven for the tough games ahead.

Mission 13—Bosco Tech 0

This was a very hard fought game. Our team was beaten in the first down department by a very narrow margin. But when our goal was twice threatened, our defense held against the enemy. Mitch Taylor was outstanding in this game. Our defensive team was once again up to par.

Mission 37—St. Bernard 0

Our boys ran rough shod over St. Bernard even though it was a very hot day. Again substitutions were made freely which again kept the score low. The whole team played good football. St. Bernard fought hard but didn't have the experience or the manpower to cope with our 'B' eleven.

Mission 24—St. John Vianney 6

This was a game of very long runs. The Bees scored upon for the first time this year only because of a fluke play in which a St. John man ran for fifty yards for a touchdown. On the kickoff the St. John runner was apparently downed, our whole team relaxed, a lateral pass was executed, and the fifty yard run materialized. After this trek tied the score at 6-6, the team became fighting mad and nearly ran St. John out of the stadium. The final score, 24-6, tells the tale.

Mission 14—St. Francis 6

This was our first league game and the boys were really keyed up! St. Francis scored first but a sensational catch of a pass by George Derby and a spectacular punt return by Mitch Taylor gave us the final edge. The whole team, both offense and defense, played an outstanding game against the knights.

Mission 7—St. Paul 7

Once again the opponent scored first but this time added the extra point. However, Mission came back by means of several substantial gains to tie the game. Both teams had another chance to score but both failed in their attempts. It was felt that our Bee team was overconfident in this game but St. Paul must be given credit for playing a very fine game.

Mission 19—Cantwell 21

This was our first league loss. At the half-time the score was 19-7 in favor of Mission. But superior Cantwell reserve told the final story. The team missed both Jack Ferraro and Ray Pineira, out with injuries. Cantwell must be given credit for coming back strongly in the second half.

Mission 6—Mater Dei 13

We outdid Mater Dei in everything but the final score. Our boys were sluggish in the first half but came out of it in the second. Both teams did some brilliant playing. Although Mater Dei was the Bee league champion, our eleven believed they could have defeated them in a return match.

Mission 39—Pomona Catholic 0

This was the first time that a Mission Bee team ever beat Pomona Catholic in football. Our boys were one hundred per cent ready and nothing Pomona did could stop them. Our defense stymied the Spartan eleven right from the start. The whole team was great.

The Bees backed the varsity all the way with outstanding wins. Bishop Amat and Queen of Angels were among the teams that felt the powerful force of the Bees. Only one loss, that of a practice game to St. Francis, marred this otherwise perfect record. The Bees have played their parts well and are ready to step into the starring roles of the varsity.

Val Soller wallops the ball over the net with the driving force so characteristic of the Bees.

Ripley's "Believe It or Not" could contain a synpopsis of this year's intramural volleyball season for it will go down in history as being the most exciting yet at Mission. The sophomore Trojans lived up to their name by taking the championship with undisputed wins over all three classes. Not far behind were the Vikings of the junior class who used their experience well by defeating the freshmen and the seniors to capture second place. The Highlanders, better known as freshmen, downed the seniors to merit third place. Needless to say, the seniors were a bit downhearted but they took their losses in that great Chatelaine spirit. It was good sportsmanship and teamwork combined that made volleyball season enjoyable for all.

The Mission Pioneers started a rather mediocre season on a bright note with a 38 to 36 victory over the St. John Bosco Braves. The next three games saw the Pioneers go down to defeat at the hands of Don Bosco, St. Bernard, and Chaminade in closely played ball games. Coach Crowe juggled the lineup to try to form a winning combo, but early season coldness from the floor was the main reason for the losses.

Chick Pfeifer fakes his man and gets his shot away in the exciting St. Francis game.

Pat Voepel jumps high in the air to snatch a rebound away from a Mater Dei opponent.

JOE PERRICONE

Mission sparked by Ed Maya got going again with an exciting overtime victory against Valley Christian.

The first game of the Mt. Carmel Tourney against Serra was an experimental one in which the whole squad saw action. The Pioneers were outclassed by the Cavaliers and entered the consolation bracket against St. John Bosco, whom they handled easily. Mission was eliminated in the third game by hustling St. Francis.

The Pioneers led by Bob Brown and Ed Sternagle lost a thriller to St. Monica 64 to 63 in the last minute of play.

Mission won the consolation bracket of their own tournament by crushing St. Paul after an initial loss to Don Bosco. Bob Brown and Ed Maya made all-tournament for their fine performances.

The Pioneers lost the first game of the Santa Clara Tournament to Alemany, won the second tilt at the expense of Chaminade, but were downed in their third try by Nordoff. Ed Sternagle turned in sharp scoring display despite an attack of the measles.

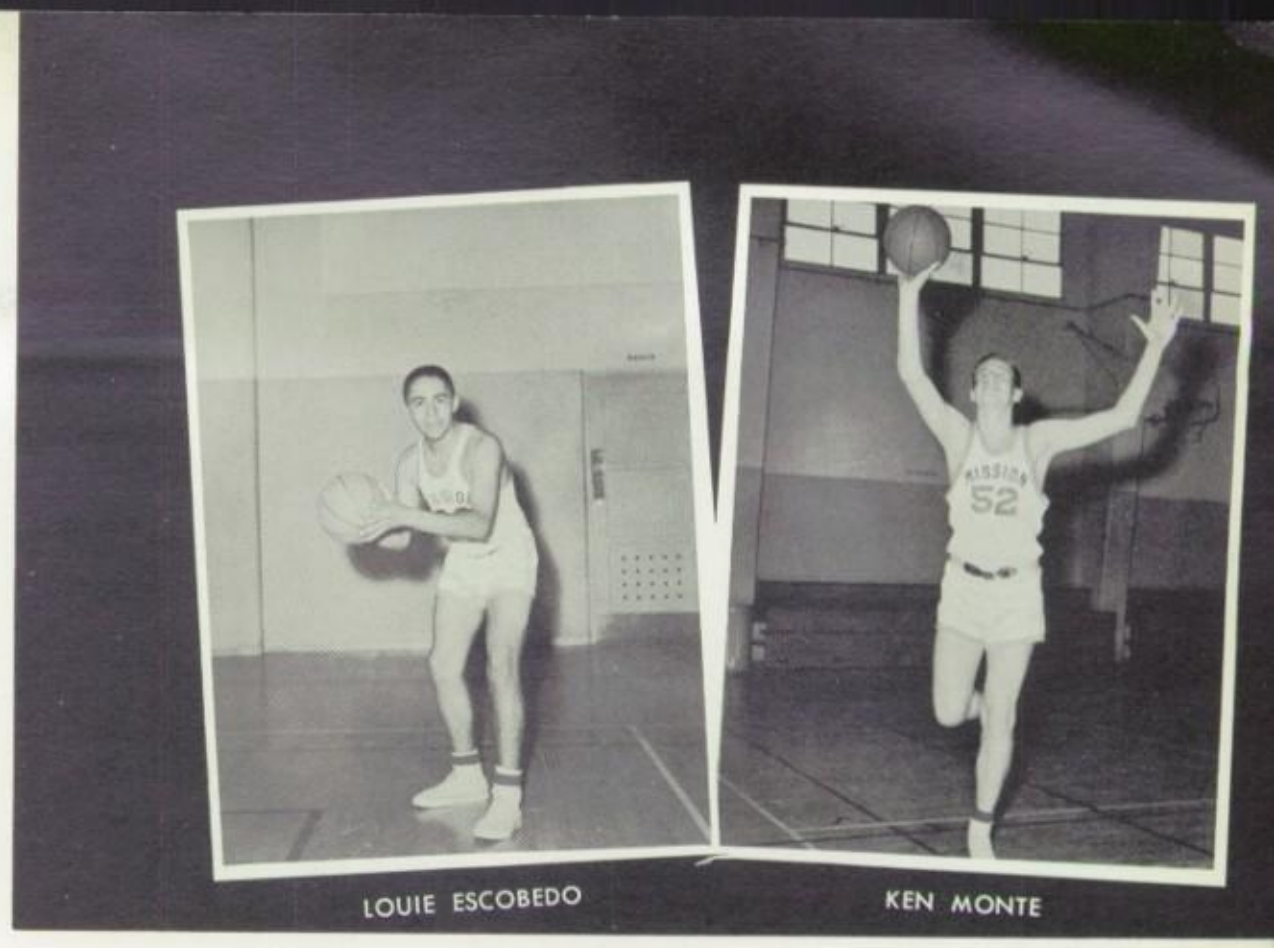
The league season opened with a loss at the hands of Pomona Catholic. Ed Maya led the Pioneers with 15 points. Mission, paced by Bob Brown, surprised Mater Dei with a close 32 to 29 win.

The Pioneers easily handled their next two opponents, St. Paul and Bishop Amat, before being humbled by St. Francis. Tall Cantwell controlled Mission easily to preserve their lead in the league. The Pioneers led by Bob Brown's 29 points gave LaSalle quite a scare before bowing to the determined Lancers in a wild, foul-ridden contest.

Next Mission travelled to Mater Dei where they lost their fourth in a row. The Pioneers ended this streak with an easy victory over the Spartans of Pomona Catholic.

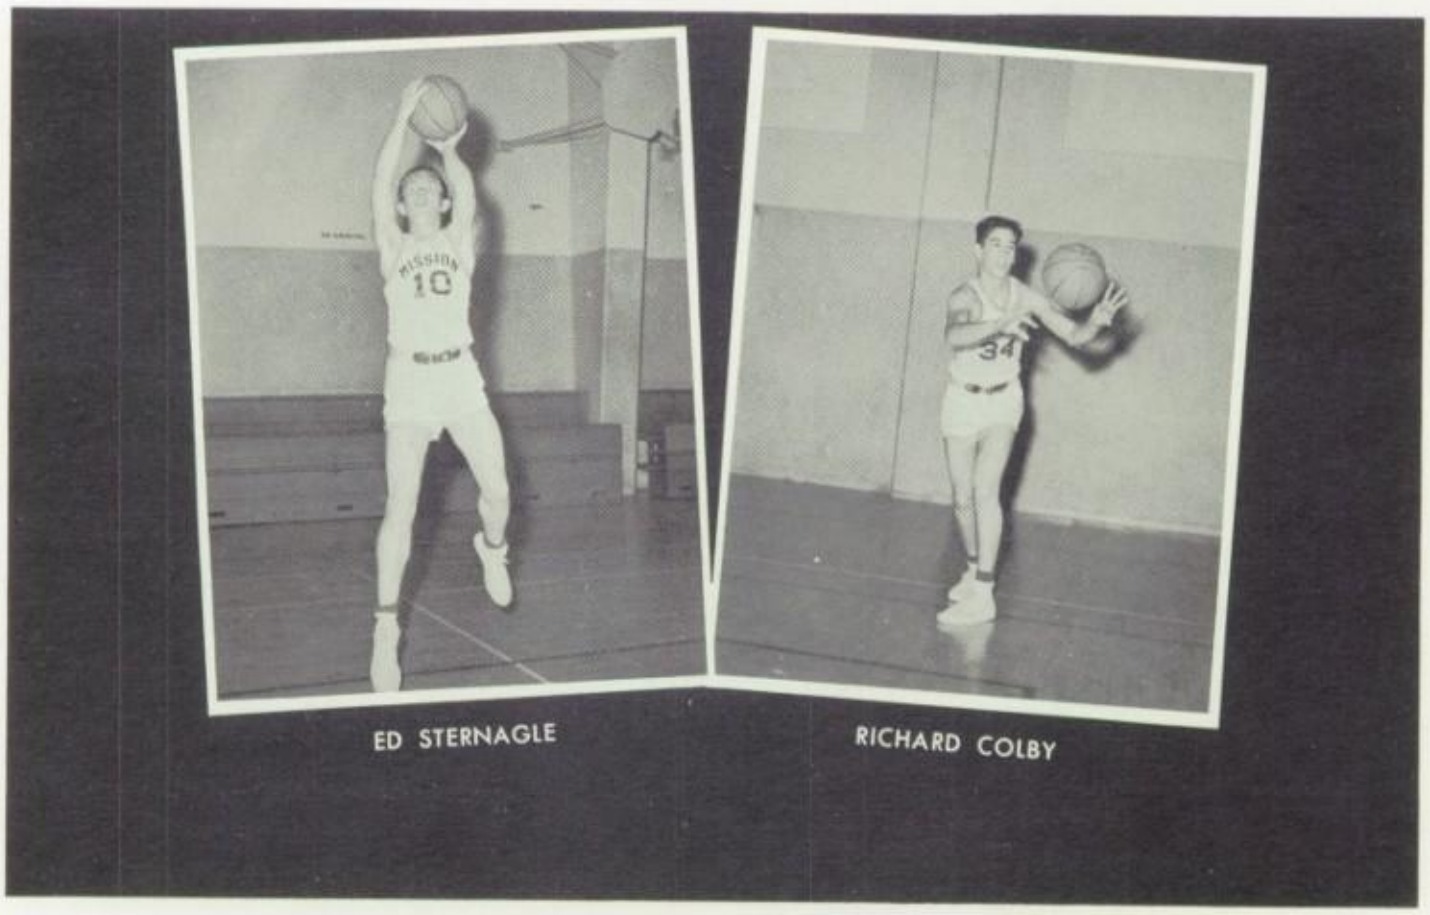
Bob Brown scored 31 points, but it was not enough to bypass the red hot St. Paul Swordsmen. Bosco Tech with a special defense for the high-scoring Brown downed Mission for the third time in a practice tilt. The Pioneers had no trouble defeating Bishop Amat for the second time for their fifth and final league victory.

Mission dropped their final three league contests to Cantwell, St. Francis, and LaSalle to end the season with a 5 win and 7 loss record which put them in fifth place. But the season ended as it began on a bright note with a vengeful victory over Don Bosco.



LOUIE ESCOBEDO

KEN MONTE



ED STERNAGLE

RICHARD COLBY

The main reason for Mission's poor season was lack of height. Pat Voepel had to carry the load of rebounding almost single-handedly throughout the season against taller clubs. Bob Brown had an outstanding year and was one of the chief reasons for Mission's successes. He was voted all-league and second team all-C.I.F. Joe Perricone led the team as playmaker and did a notable job on defense. Ed Maya was the second highest scorer for the Pioneers and rebounded well against taller opponents. Ed made honorable mention in the league.

The only Junior on the starting five was Chick Pfeifer, who developed into an all-around ball player.

Left to right, Front Row: Dennis Sella, Pete Garcia, Manuel Magallanes, Mike Caposino, Bill Nicholas, Jim O'Con, Richard Hebhardt. **Row 2:** Coach John Hanrahan, Gary Jones, Ray Pineira, John Dutcher, Ronald Ravatt, John Beechler, Richard Sweeney.

Bees sweep league.

The 1959-60 season was another prosperous one for the Mission Bees. The talented Bees using a balanced scoring attack and a staunch zone defense, won every practice game.

They lost only one game during league play, an exciting one point loss to LaSalle. Although the defeat ended the Pioneers' forty game win streak, it didn't affect their league lead as they easily walked away with their sixth straight crown.

Trophies awarded at the end of the season went to Bill Nicholas, most improved; Gary Jones, best teammate; and Ron Ravatt, most valuable player.

Cees show great talent.

Richard Schwien lays in a two pointer to enlarge an already bulging score.

Ed Bonja gets off his shot in spite of the vain attempt of an enemy defender to block it.

Dennis Murray gets by his man for another attempt to score for the Mission Cees.

This year Mission's Cee team was in its first league competition. In this first showing Mission placed a respectable third with a fifteen and two overall record.

The team consisted of Rich Schwien at center, Ron Kirkpatrick and Ed Bonja at forwards, and Dan Vrooman and Dennis Murray at guard, with Chio Estrada, Bob Duarte and Mike Tafoya helping out well at all positions.

Most Valuable Player Award went to Ed Bonja.

When it comes to scoring with high jumping and narrow squeezing, Mission's got it. The Pioneers play with the agility and ease of professionals and the spirit and enthusiasm for which they are known. The first varsity basketball league win was the victory over the Lancers of Bishop Amat which gave a hint of things to come. St. Paul's was the next to feel the powerful force of the Pioneers. The third game followed the same pattern with the Pioneers downing Queen of Angels by a score of 38-23. Bishop Amat's Lancers came back a second time only to lose by a margin of 27 points. Only one defeat blotted the Pioneers' record and that was in the play-off game with Queen of Angels. The final outcome saw the Pioneers as runners-up in their league and you can be sure all Missionites point with pride to the Varsity hoopsters.

BEE BASKETBALL TEAM

Left to right, Kneeling: Michele Triggs, Kathy Schmidt, Mary Helen Medina, Mary Lou Prohaska. **Row 2:** Nancy Walsh, Pat Lautenschleger, Coach Marcia Rouse, Klara Schubert, Bonnie Westfall.

The Bee Basketball team proved that teamwork and just plain hard work make for victories. Marching triumphantly to victory over Bishop Amat, St. Paul and Flintridge, the Bees lost only to Queen of Angels. This basketball season saw some of the most spectacular playing ever executed by the Bees and we can expect these girls to be the framework of next year's varsity.

Right: Nancy Walsh, ably covered by Michele Triggs, readies to pass ball. **Below:** Bonnie Westfall and Flintridge player go up for jump ball.

Tension rises as Mary Helen Medina attempts to sink one of her well-arched shots while Nancy Walsh waits to snatch the rebound.

Sparked by a keen spirit of competition, the intramural basketball games got off to a rousing start with the swarming seniors' win over the juniors and the freshmen trouncing the sophomores. Tension rose as the juniors lost to the freshmen and the sophomores bowed to the seniors. Climaxing the season the juniors beat the sophomores while the powerful seniors were just too much for the fighting frosh. Mission has rarely witnessed such spirited cheering as in the play-off game between the seniors and the frosh which resulted in the intramural basketball championship being placed in the capable hands of the senior team, frosh coming in second, followed by the juniors. This basketball season proved to be "springlike" not only in weather but in those high jumps scoring most of the points.

INTRAMURAL SCOREBOARD

Court clashes begin with senior win over juniors 18-8 . . . frosh overcome sophs, 17-14 . . . seniors defeated sophs, 11-5 . . . frosh take juniors . . . victory goes to seniors with their triumph over frosh, 15-9.

All eyes are on Rita Hatem as she tries for a basket.

Pat DiGiorgio dribbles ball as Sheila Soller and Carol Grieshaber follow closely.

Kathi Conklin tries a long shot over the heads of anxious teammates.

Intramurals add variety to school life.

Mission provides a well-balanced athletic program for all aspiring players talented enough to compete in a varsity sport. An extensive intramural program also is offered for all who wish to participate in inter-class contests.

Encompassing all the school's major sports; this program is widely accepted by all students and open to all. Many times the tension in these games mounts high enough to rival any varsity competition.

It has often been said that sports help to make the complete man, and Mission misses no opportunity to produce just that ideal.

Intramural Basketball

Intramural basketball was won by 4B this year after three exciting playoff games. Two against 4A to win the upperclassmen's league title and one against 2A to win the school championship. These games give our amateur hoopmen a chance to show their skills and often have produced a star for our Bee and varsity teams.

Miler Bill Kidnay breasts the tape in another victory as Tom Shields, starter and Coach MacDonald look on.

Striving to break the school records, Dennis Lenahan goes all out in putting the shot.

Left: Mike Nicklin strains to put the shot in another record distance. **Right:** Bill Kidnay is way out ahead of the field in his favorite event, the mile.

Pioneers warm up for league meets.

The 1960 track season was a poor one for the Mission spikers. But as in years before Mission had its fine outstanding athletes who kept up team spirit and made the meets interesting for the Mission spectators.

Versatile Aurelio Gonzalez, as well as being team captain, was high scorer for the Mission varsity. The high jump, broad jump, and high hurdles were taken in stride by him, but the low hurdles proved to be his strong point. Always dependable Bill Kidnay, the hardest working member of the team, was a big threat in the league this year. His hard work paid off and he was able to shave fractions off his previous record in the mile.

Others who made their contributions to the team this year and will be returning again next year are: Chuck Robinson, Steve Hudson, Ray Pineira, Mike Caposino, Ralph Nuccitelli, Tom Sheahan, Louie Mortillaro and Wally St. Clair. These boys, mostly Bees, split their talents and ran varsity whenever called on.

This year's track awards went to: Chuck Robinson, Most Improved; Bill Kidnay, Best Runner; and Aurelio Gonzalez, Most Valuable.

Gary Condurachi overtakes a Bishop Amat thinclad to win the 220.

Speedy Charlie Robinson glides easily over the high hurdle on his way to a Mission victory.

BEE AND CEE TRACK TEAMS

Left to right, Front Row: Tony Perez, Tom Shields, Felipe Valdez, Martin Delgado, Ray Sanchez. **Row 2:** Gary Jones, Jim Ponzo, Louis Mortillaro, Jim O'Con. **Row 3:** Rich Sweeney, Al Schwartz, Joe McDonald. **Missing are:** Kent Taylor and Chuck Baker.

Bees train to perfect style.

Mike Caposino strains out of the blocks for the all-important fast start.

Ralph Nuccitelli leads the relay field in the Cantwell meet.

Putting his best foot forward, Tony Perez gets the jump on his Bishop Amat opponents in the 180 yard dash.

Without losing precious seconds Louis Mortillaro and Tom Sheahan make the hand-off in the 660 yard relay.

Cees excel in first efforts.

Making the final effort Al Schwartz breaks the tape to edge out his hard-pressing opponent.

Sharing the varsity's lack of depth, the Bees had a rather poor season, but promise to be the building blocks of a strong varsity team.

The Cees, composed of mostly freshmen who perhaps had never seen a track before, did their best and will be a great help next year to fill in for those who will go up to varsity.

Receiving awards for the Bees were: Mike Caposino, Most Improved; and Ralph Nuccitelli, Most Valuable. The Cees' award for the Most Valuable went to Martin Delgado.

With team captain, Aurelio Gonzales looking on, Martin Delgado works hard for added inches.

Pioneers attain new heights.

The Pioneer varsity under the reign of "rookie" coach Bob Holycross had trouble collecting their first win. Mission went down to defeat to San Marino, Don Bosco, Claremont, and St. John Bosco before their first victory over Flintridge Prep, a 6 to 0 shut out for Dale Smith, the soph pitching sensation. Rich Hebhardt and Chuck Bellitti helped the young lefty with a pair of home runs.

St. John Vianney surprised the Pioneers with a 2 to 2 tie. Wally St. Clair fanned 13 Nobles in the 7 inning contest. Brown Military was no competition for the Pioneers who collected 8 hits in only 5 innings to smother Brown 18 to 4. Mission continued its hot streak against Webb as the Pioneers downed the Gauls 17 to 10. Bishop Alemany proved too much to handle as they whipped Mission 7 to 0 in the Pioneers' final preseason contest.

Mission started league play with a young team composed of four sophomores (Smith, Derby, St. Clair, and Hebhardt); two juniors (Sam Perricone and Stewart); and three seniors (Joe Perricone, Bob Brown, and Chuck Bellitti). With this lineup Mission had no trouble defeating LaSalle 9 to 1. Dale Smith went all the way for the victory.

A spunky Northview nine surprised Mission in the last inning with 2 runs to squeeze by the Pioneers 2 to 1. Behind Dale Smith's 4 hit pitching and timely hitting, Mission shut out Cantwell 3 to 0. In their next outing the Pioneers were swamped by Rosemead 13 to 3. The heads up Pioneers outplayed St. Paul 1 to 0 for their third consecutive league win.

Mission easily defeated Brown Military 17 to 4 before losing to Bosco Tech 5 to 4 in a thriller. Young Bishop Amat stunned high flying Mission 3 to 2 for the Pioneers first league loss. Cantwell avenged an earlier loss with a 6 to 3 win over Mission in a 5 inning practice tilt.

The Pioneers got back on the winning road again with an exciting 10 to 9 victory over Pomona Catholic. Dale Smith, helped by a 3 run round tripper by Chuck Bellitti, earned the victory, his fourth in league play.

In a wild practice game, Mission defeated Northview 14 to 10. The Pioneers received their second league defeat at the hands of Mater Dei in a hotly disputed 2 to 1 contest. Mission received a scare from Valley Christian but eked out a 4 to 3 win in the final game. The Pioneers ended the practice season with a 6 to 1 victory over Flintridge. Louie Escobedo and winning pitcher Chick Pfiefer pounded homers in the contest.

In their final league game the Pioneers led by the underclassmen demolished St. Francis 7 to 4. Wally St. Clair and Rich Hebhardt banged home runs and Dale Smith collected his 5th league win. This victory placed Mission in the C.I.F. playoffs for the first time in history. The Pioneers ended the season in second place in the Parochial League with an 5-2 record.

The season was one of the best in Mission's history. The Pioneers had a hustling, running, spirited ball club which played exciting baseball for seven innings of every game. Next season should be even better for the younger Pioneers should benefit greatly from this past season.

Backstop Louie Escobedo awaits descent of pop foul.

JAYVEE BASEBALL TEAM

Jayvees show signs of future greatness.

The Jayvee baseball team this year compiled an even 3 and 3 league record in spite of the fact that they had no field on which to practice. The midgets started the season with two wins hinging on the arm of pitcher Dennis Murray.

Their only remaining bright spot was a hard fought battle in which these demons of the diamond defeated their arch-rivals, St. Francis. Outstanding stars were Tommy Semonell and Ron Kirkpatrick who contributed their flashing bats and handy gloves. Ed Bonja, Steve Abney, and Johnny Higginson also contributed to the season's victories.

This year a soccer team comprised of seniors, sophomores, and freshmen was initiated at Mission. Despite an unsuccessful year, they succeeded in arousing Missionites' interest in this new sport.

The Golf Team, a new group on the Mission sport scene was begun this year with great enthusiasm under the capable direction of Fr. Reed. Although the team had a rather poor season they had many bright spots and prospects for the teams of future years. The team put up a respectable showing in the new parochial league. Sharing the coaching job with Fr. Reed was Ed Walsh, who was also the captain of this year's team.

What are those strange grunts and groans coming from the boys' locker room, is it someone dying? No, it is only the weightlifting class doing its daily conditioning exercises. These boys are really Mission's muscle squad and their muscles are well used (on detention, etc.); but seriously they are well concerned with their health and do their bit to keep Mission's men mighty.

Five records topple as seniors conquer.

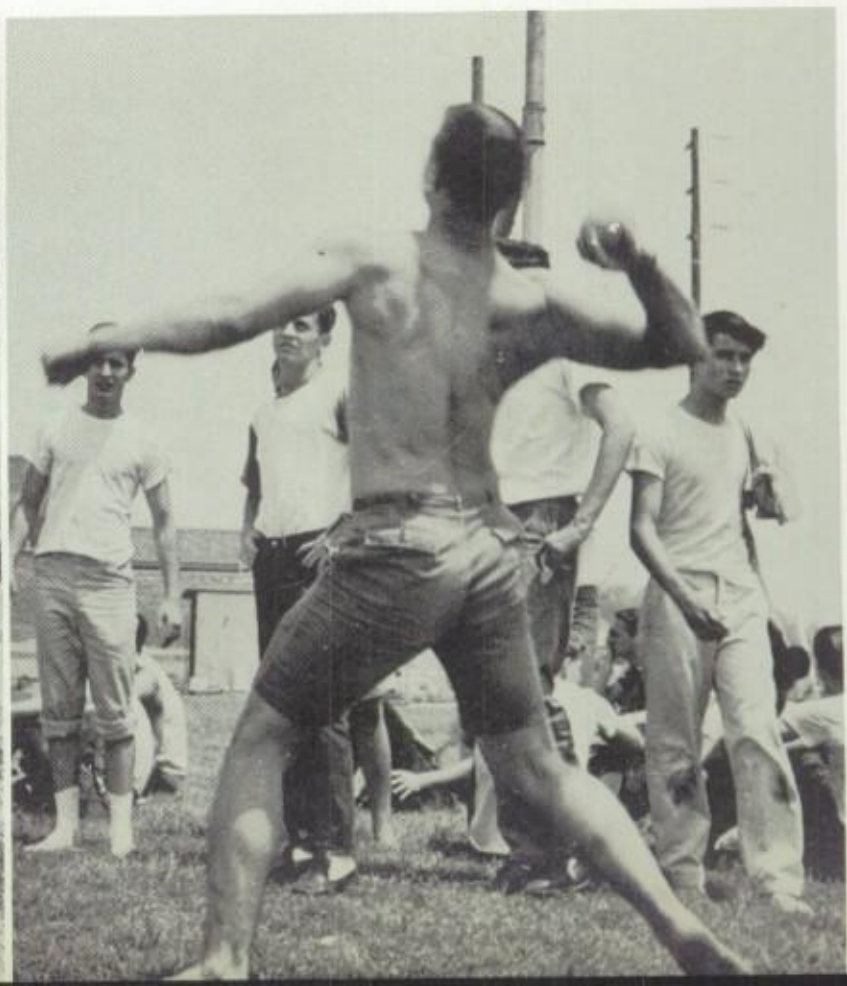
4A exerts a valiant but vain effort in the tug-of-war.

Field day this year was sparked by the smashing of five old records, spirited competition between 4-A, 4-B, 3-A, and 2-A; with the winner being finally decided by virtue of the new golf accuracy contest.

Although 4A took an early lead, successfully holding it, the other classes never gave up and threatened to overtake the seniors throughout the day.

Outstanding individuals in this amateur short pants derby were Ed Walsh and Pat Zartman with two first places apiece for the victorious 4A class and junior John Stewart who gained two firsts for his class, 3A.

Above, Left: Acrobat Rich Clark takes first place in the handstand with a fine effort of 55½ seconds. **Below, Left;** Pat Zartman strains to a new school record of 135 push ups. **Below, Right:** Shotputter Dennis Lenahan hurls the softball 248 feet.



Wally St. Clair comes from behind to gain a victory and new field day record of 1:34.8 in 100 yd. shuttle race.

Dennis Celmer speeds to victory in the final heat of the 50 yd. dash.

Dennis Sella collects 5 points with a winning punt of 45 yds.

Ed Walsh tees off to take first place in golf accuracy event.

Oriental Dream comes true.

Japanese maidens display the delicate grace and beauty characteristic of the Orient in their first place dance.

The perfect blending of terrific spirit, abundant talent, and graceful coordination brought a hard worked-for victory to the Chatelaines. The seniors had a special reason to be jubilant. Since this is their third straight victorious year, they have gained permanent possesion of the playday trophy; a feat **never** before accomplished!

The pleading chant to Buddha in the rally brought his blessings upon the symbolic Japanese dance which contrasted the beauty and cruelty in nature. The drill team's fatal cry of "Sayonara" reverberated through the halls of Mission as did the rollicking laughter of delighted audiences when the Chatelaines enacted some very unusual events in the Empire of Shang Boo.

The wonderful spirit and heartwarming congratulations of the underclassmen combined with the sight of the coveted trophy clutched in the hands of the senior class president proved to the seniors that Friday the thirteenth is their **lucky** day.

A unique drill which climaxed in mass suicide merited 2nd place for the senior drill.

A hilarious hair-raising (or should we say snatching) skit left the judges in laughter and gave the seniors first place.

"Praise to Buddha, god of power" sang the seniors as they invited all to share in their Oriental Dream.

Warriors of Clontarf capture second place

Under the leadership of King Brian, the Warriors of Clontarf raised swords in a victorious rally which took first place.

With the fierce cry, "Kill, Burn, Plunder," the junior Vikings captured second place in Playday. Undaunted spirit matched only by their tremendous enthusiasm proved to be the secret of success for the Vikings. Coming from behind in the past two years, the juniors took a big step ahead. With an effective "thrash and beat," the Warriors of Clontarf raised their swords in the powerful cry of battle. Thanking their god, Thor, for the safe return of their ship, the Viking maidens performed an enchanting dance. Forming intricate patterns such as the Viking ship and the Warriors' horn, the drill climaxed with a fierce battle of precision and skill. The ingenious Battle of Clontarf between the V.A.A. and the Block "M" gave a different light to the fierce warriors. Indeed, the juniors conquered!

Warriors of Clontarf defeated all comers to march off with first place in drill.

Battle of Clontarf proved to be a decisive victory for the V.A.A. over the Block "M" and rated a second place award for the skit.

Viking maidens tell story of lost ship in a captivating dance which placed second.

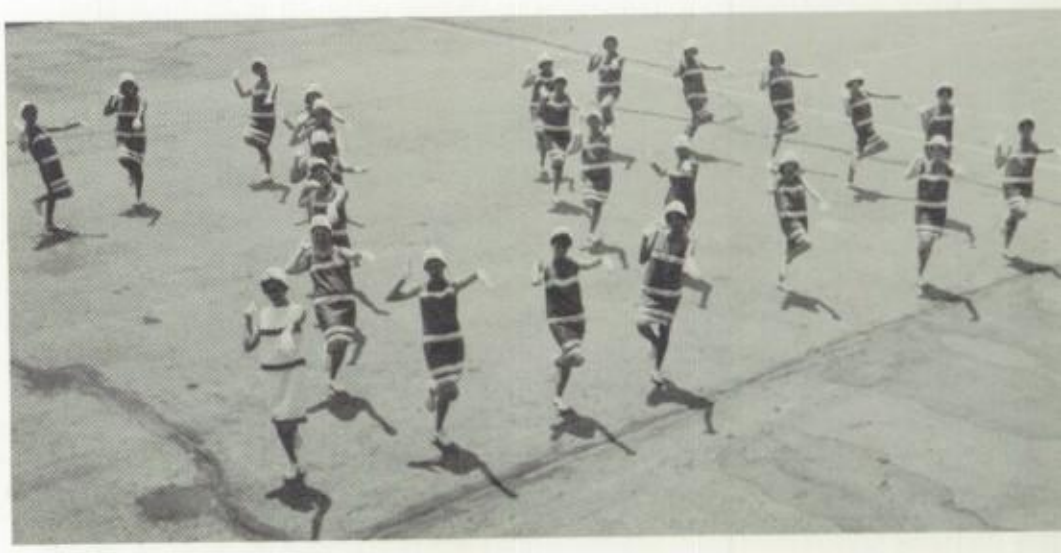
The roaring 20's roar again.

Bright eyed freshman flappers carried their captive audiences back into the fun and frolic of the roaring 20's. Their dynamic drill and daffy dance proved that the Charleston is by no means dead. A daring bank robbery by a sly flapper created a comical situation for the Highlanders' skit, while a precisioned rally displayed the class unity needed for a successful playday. Placing third this year, the frosh are ready and waiting for the challenge of next year's playday.

Look what happens when you "put a nickel in the nickelodeon." Those fla . . . flap . . . flapping girls kept the audience swingin'.

You just can't get away with robbery any more or so it seems from the Frosh skit.

Ain't they sweet? Frosh Highlanders turned the clock back and gave us a glimpse of the age which will never die.



With frosh like these, no wonder the drill team was acclaimed by all.

It happened in Paris sophs show how.

As you all know, anything can happen in Paris, and the Sophomores took their audiences across the Atlantic to prove it. Where else can row on row of mustached artists march in intricate formations, and gay young mademoiselles dance happily through the streets. As shown in the skit, Parisian street cleaners don't even bother to sweep up dead bodies although they are very meticulous about the blood stains. Pretty parasols and the use of black light created a rally with the charm and gaiety exclusive to gay Paree. Yes, the sophs gave us a wonderful time and it all happened in Paris.

Dancing dolls give us a taste of Paris in a picturesque "Champs Elysees" setting.

Laughter echoed through Mission as sophs put on a skit which could have happened only in Paris.

Precise hand movements and colorful parasols added to the dramatic effect of the sophomore rally.

Artists with a french flair form a "P" for Paris.

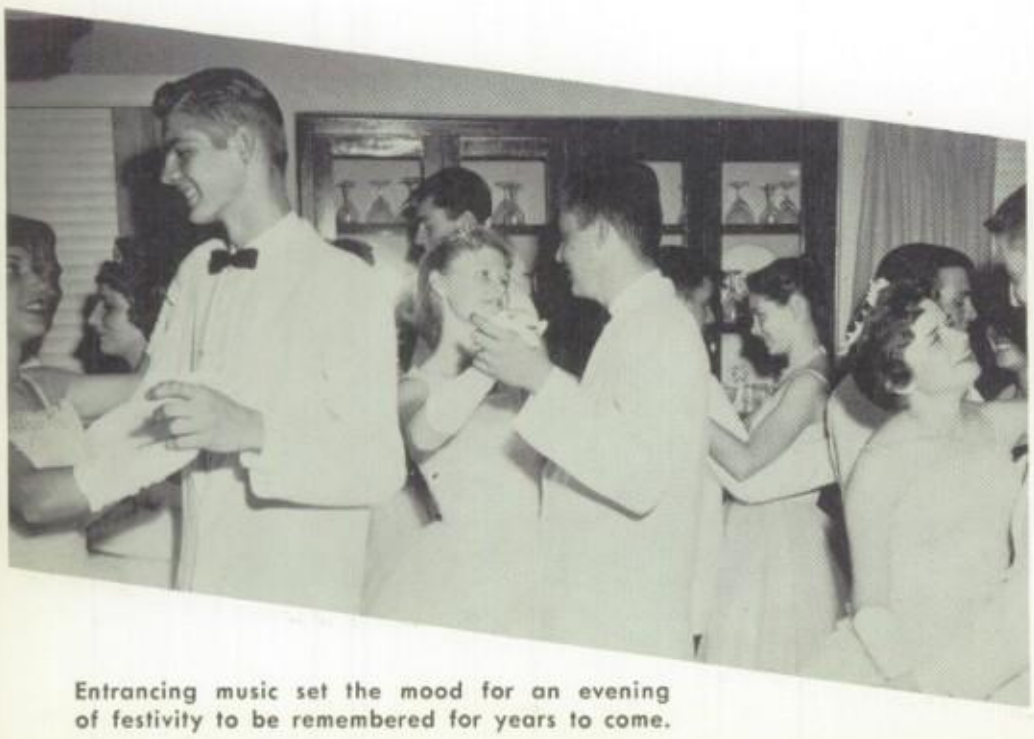
La Jolie Nuit

Climaxing the year's most important event, the seniors converse gaily at their prom.

The plush atmosphere of the Sheraton West provided a dramatic scene for another unforgettable Senior Prom. The all too brief evening was enhanced by the romantic music of Bob Rogers who set the atmosphere that prevailed throughout the night.

Senior class presidents, Ellen Gatz and Bill Reiss, proceed for the crowning at the Senior Prom.

The long-awaited-for event will be a fond memory in the years to come and May 27 will remain the subject of many conversations. The evening was climaxed by the traditional crowning of the Blessed Virgin, ending a truly "Jolie Nuit."



Entrancing music set the mood for an evening of festivity to be remembered for years to come.

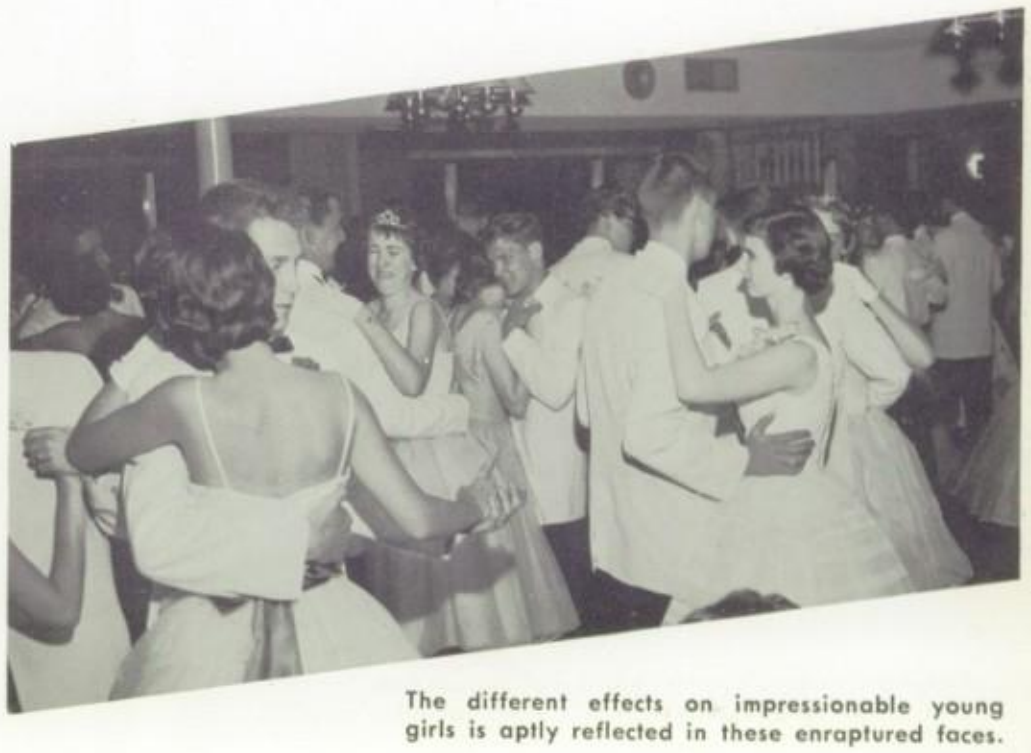
An Enchanted Interlude

Lovely music and lovely ladies equal an enjoyable evening.

Amidst the French Colonial atmosphere of the Montebello Country Club, Mission juniors stepped into the sophisticated society, many of them for the first time. Elegantly dressed and elegantly m a n n e r e d, they danced the night away to the lilting music of Dick Anderson.

Junior class presidents, Diane Benken and Joe Miano, ask our Lady's blessing after crowning her statue.

Those pausing to catch their breath could stand and gaze past the ancient oaks surrounding the club, down at the twinkling lights of the city. The early morning hours found them enjoying Hollywood's night life until the Cinderellas had to be taken home to dream of their next prom.



The different effects on impressionable young girls is aptly reflected in these enraptured faces.

Don't blame us for the pictures. With photographers like these, what can you expect.

"Just step back and . . . HELP!"

It's not the school, just the principal of the thing.

MISSION MEMORIES

"I told you not to scratch my back with your pocket knife."

That's all, folks.

I give up. What is it?

You'd think we won or something.

"$5 for an 'A', $3 for a 'B" $2 for a 'C" etc."

"Hey, get a load of this."

Write your own caption for this one.

"Dani will never know we took the popcorn."

"You mean we have to eat it?"

"We'll attack from here and give them classroom procedures before they know what hit them."

We're having a party.

A face in the crowd.

What a clean sole.

Kidnay running the mile.

Help keep our school clean.

Hail to thee, our mighty emperor.

After two days on the wagon.

Quiet, attentive, thoughtful, resourceful, useless.

"You looking for a fight."

Sisters for a day.

Cheri and her barbells.

You shouldn't have run that red light, Lana.

That'll teach them to goof-off in Chemistry.

The dance is in the auditorium. (Oh well, it's cheaper this way.)

We need bigger halls.

Now for our morning exercises.

I thought bigamy was against the law.

Spaghetti in its simplicity is a good thing, I'll buy that, but earthworms . . . .

I know we're not all angels, but this is ridiculous.

"If it explodes, I'll take the whole class with me."

"Yes, I've lived in this zoo for four years."

What would Arthur Murray say?

Detention's getting worse these days.

"We work here, we're wall washers."

Itchy underwear?

"It'll cure colds, fallen arches, headaches, and rheumatism."

"Heil Hitler!"

And then . . . and then . . .

Could this be one of tomorrow's stars? (I doubt it)

"I was never any good at Math either."

"How do I get down?"

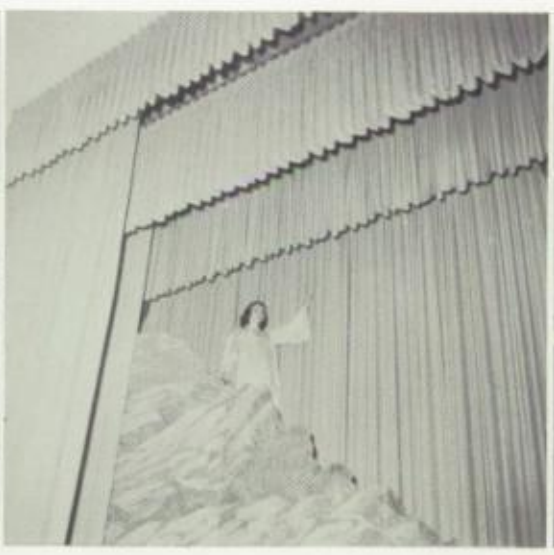
"I just get carried away."

Takes talent to get a picture like this.

Poor girl, caught in the boys wing.

"That guy gives me a pain in the neck."

The distinguished man with the bare-foot girl.



"Hello out there in television land."

There's no foundation for this picture.

"Hey man, no pulse."

"It is not puppy love."

Whoever they are, there are sure enough of them.

"Don't all come at once."

The photographer is a bit unsteady.

Follow the leader.

"Who said we couldn't draw?"

"My people, my people."

"O-O-O-H"

"Ouch! You hit my chin."

"We won't get home until tomorrow."

Mission goes Oriental.

Direct from Santa Anita.

"Just what is your problem, Phil?"

Hard-headed.

Down with homework.

"No, it's mine, it's mine."

Does he or doesn't he?

As the spoon slowly dissolves in the batter.

One at a time please.

Here they are—blowing their own horns.

"Settle down, Butch."

"All right, youse guys. I'm takin' over this mob, see."

"Don't push, there's enough rice for everyone."

"I got it on sale . . . at the Goodwill."

"We're going steady."

No wonder the pictures are like they are.

No prompting please.

Camera Hater No. 1

I thought Elvis was in Germany.

Shiela, your hem's crooked.

'But, maw, I need a bigger allowance."

The triangle.

Sly ol' rascal.

See what the photographer has to endure.

You should really pluck those eyebrows.

You'd think she was a princess or something.

"No, please, Father Joe, not this Saturday."

Personally, I think the dog has the prettiest legs.

"Gee, this pen tastes good."

Been taking tranquilizers again, eh.

Latest in football headgear.

Bow-legged cheerleaders, no less.

"No, Joe, you drive the car from up in the front seat."

Just once over with Spic 'n' Span.

"Now just a minute, the basket's too high."

"Don't get all shook. Mission will win anyway."

"Who said we aren't talented?"

"They'll never know we left early."

"Just one more time."

This is our band???

Eaten alive by a carnivorous plant.

"Say yes, please, Cheri."

And they didn't think there was any film in the camera.

As Perricone staggers across the finish line.

"Not me. Who? Me?"

Money grabbing senior.

"Did you hear about Alice? Well, Harriet says . . ."

Dirty ol' walls anyway.

Two heads are better than one.

Talk about big thumbs.

"Walsh, put out that cigarette."

"Don't you dare."

"Don't worry, Father, I'll get your nose out."

Hail, comrade.

Please, not in public.

Which one has the Toni?

Linda, your slip is showing.

Mission's last hope.

"I'm leavin' home."

"At this rate, we'll all get stiff necks."

The assemblies get wilder and wilder.

Real down to earth botanists.

Running Bear and two white clouds.

"It's alive."

"Hello, Bob, what are you doing in the projection booth?"

"What do you mean, it ain't pretty?"

Grrrr.

"Thou shalt not steal."

Sore head.

HELP!!!

Older than she looks.

"Well, you take two raw eggs."

"I think I'll cry."

"We are the Pioneers."

My new Easter bonnet.

"Did we win, Janet"

"I was a teen-age hypochondriac."

"I'll play next year."

"Sorry no animals allowed in the building."

"Back to work. Oh H——!"

"Up periscope!"

"Now where do we go from here?"

"Don't look now, but they're taking our picture."

If you knew Marleen, like we know Marleen . . . WOW.

"Liberty, fraternity, equality!"

Last splurge before Lent.

Fr. Reed's Mortuary Service wagon.

"Don't you dare take this picture. It's a good thing that camera doesn't have any film."

One man cheering section.

"I honestly didn't think they'd get off the ground."

"Expresso coming up."

"Fourscore and seven years ago . . ."

"Now hear this, Troops."

"One of these days I'll burn every book in the place.

The fun-loving photographers. "Do they ever take anybody else's picture?"

Notice beautiful self portrait of photographer at right.

"I am the whistler . . . say, have you seen my mother?"

Get that ant.

That "getting to know you" smile.

Meeting of C.Y.O. (Communist Youth Organization). These pictures were sold to the F.B.I.

These new uniforms are the greatest.

"We're blasting off for the moon. Whe-eee."

Mission's own can-can girl.

"I think this is a crooked deal."

High-flyin' Pep Squad.

Another level-headed Missionite.

Steady there, coach.

Not dissection, before lunch again?

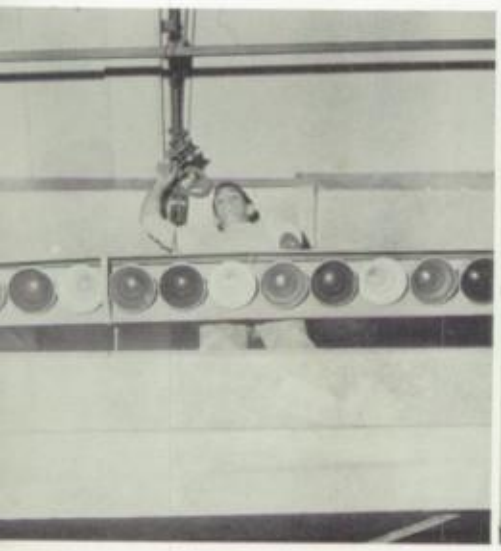
"Don't stand there laughing, my arm's stuck."

And now we bow to Mecca. Hey, I thought this was a Catholic school.

Sneaking in without paying, eh.

Kathy's looking at Carol, Carol's looking at Elvera, Elvera's looking at . . . well, it must be something interesting.

What a way to go.



"Now, I pull this lever . . ."

Camera shy pair.

"Say, what are the symptoms of poison oak, anyway?"

"Look, it moves."

"First, plant the bomb, then . . . "

"Now you shake your shoulders and you wiggle your knees."

Typical Mission group (of maniacs).

"Once upon a time . . ."

"We'll give him 10 more seconds to get up before we call the ambu-

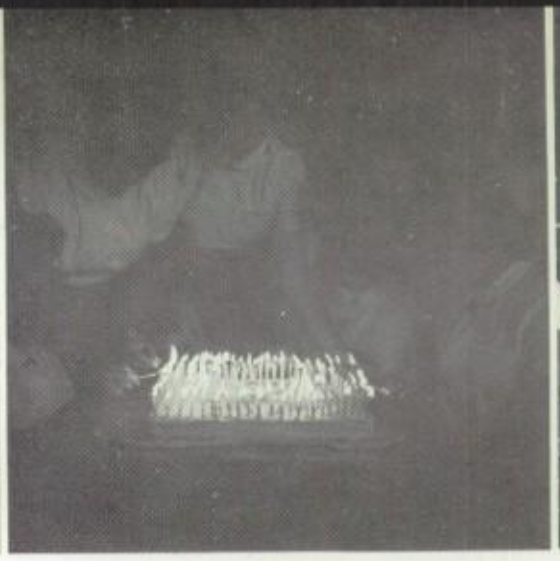
"1,000 times before you go home from school."

All-American Cahill.

"After the game, I'll race you around

"Give me the soap, quick."

Takes all kinds to make a world.



If this doesn't burn the school down —nothing will.

I want to play football.

"Now, add two cups salt or maybe it was sugar. Oh, well who cares?"

Holier than thou.

"All right, you, Butch, settle down. Oh, hello, Father Leo, I uh . . ."

Go, St. Francis, fight.

Well, nobody's perfect.

Can't stand to sneeze in public.

·D—— snails.

"No, girls, that last line "hail, Moscow, hail," wasn't quite correct."

Now that we're here, what'll we do?

"Quick, they'll never miss them."

"Ring around the rosy . . ."

"Up in the sky, it's a bird, a plane,

"I knew I shouldn't have gone on that crazy diet."

Someone left the cage door open.

Hedda's closest competitor.

If there's anything I can't stand it's a big mouth.

"Quick! Help me! My hand's being crushed under my cake."

Let's get to the bottom of this.

"Shhh. Don't tell anyone about the new uniforms."

Romeo, going to work.

"Round the club house turn . . ." (Shot at 8th race, Santa Anita).

"Wait till I get them shuffled."

Wish I was Santa Claus.

"Who put that tack on my chair?"

WELCOME
CLASS OF '60
to the
ALUMNI

SMOOTH
SAILING
to the
GRADUATES
from the
CLASS OF '59

This is not merely to WISH our Graduates success; but rather to Congratulate them in advance.

The Annual Staff

The curtain
is fallen now,
but the drama
is not ended.
This year of
nineteen-sixty,
wonderful, but
all-too-brief,
has been only
the rehearsal
for . . .
tomorrow.

Thanks . . .

Applause is the just recognition of a performance well done. Perhaps only the director of a play can realize to how many the applause is due; certainly the editors of this annual realize how impossible it is in these few words of thanks to reach all those to whom thanks is due. Our applause is for all, but there are special **bravos** for Father Michael Montoya, C.M.F., Administrator of our school; for Father Leo Mattecheck, C.M.F., Principal of the boys' division, and Sister John Dominic, O.P., Principal of the girls' division, who gave their constant encouragement and backing; for the Faculty in general, for their photogenic co-operation with our many demands; for our guiding (if perhaps, at times, prodding) light, Father William King, C.M.F., annual Moderator. **Cheers** also for Jack and Bill Christy, our ever-ready, patient, and competent photographers and friends; for Mr. Bob Hopkins of Mirro-Graphic Yearbook Company, whose expert advice, always unstintingly given, was truly invaluable. A final curtain-call for those wonderfully enduring people, the annual staff; for the businessmen and parents, who by their many benefactions and sacrifices made this entire production possible. Accept, all of you, the sincere applause and gratitude of

The Editors
Margaret Daugherty, and
John Schwarze.

Epilogue: The annual **has** been work. But it hasn't been a one-man job. I can only regard it as **our** yearbook. With so much talent and enthusiasm at my disposal, my only task was to **moderate** it. All of you who have worked together with me know already that you have my gratitude and my prayers.

The Moderator
Father William King, C.M.F.
